AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... (State whether Master, First, or Second Officer) , *of the* , *from* , *do solemnly, sincerely, and truly* , *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years for persons over 1 year of age, applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widow), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving. Correct entries include such terms as laborer, farmer, servant, merchant, tailor, seamstress, painter, engineer, lawyer, physician, clerk, teacher, tinner, weaver, etc. Such terms as gentleman, lady, boy, girl, child, or baby are not sufficiently descriptive. Persons having no occupation should be entered as "none."

A distinction should be made between farmers and farm laborers, as classed in the census returns, thus shown as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the profit or income of another.

Steamship companies should make this column conform to the manifests which they are required to make out at the foreign ports of departure, so that no discrepancy may appear between the two records if one should be required at destination.

Column 8 (*Can read and write*).—This column should be filled in with the word "Yes" or "No" to show whether the alien can or cannot read and write the language or dialect of some country.

Proof of literacy is required of aliens coming from countries other than those specifically exempted by the law, and the alien must be able to read and write the language or dialect of some country. Exemptions from the reading requirement are made in favor of aliens in certain relations to persons in the United States, as specified in section 3 of the law.

Column 9 (*Nationality*).—Question 9 should be answered with the country to which the alien belongs, as a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of manifest sheet. The entry should show the race or people of which the alien is a member, as Hebrew, Irish, German, Italian, Polish, Spanish, English, Scottish, Dutch, French, Finnish, Bohemian, Slovak, Lithuanian, Croatian, Servian, Ruthenian, Magyar, Roumanian, Portuguese, Japanese, Chinese, East Indian, Mexican, or Negro. Avoid the common or Hebrew-Caucasian error of describing persons of the Hebrew religion as of Hebrew race. Persons coming from Scotland should be described as Scotch, and not as English or as of any other country. To the connection the following descriptions should be carefully observed:

CUBAN

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than native Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK

"African, black" refers to the African Negroes who themselves came from Africa to the islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po, northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, France, or the United States, should be described as "Italian, north." Most of these people speak a Gallic dialect and the Franco-Provençal language.

ITALIAN, SOUTH.

The people who are natives of the part of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be described as "Italian, south."

Column 11 (*Last permanent residence*).—Write foreign residence only, never simply "America" or "United States." The answer should be the country of which the alien is a permanent resident. The important thing to ascertain is the country in which the alien has his home, and to which he returns after visiting other countries. Thus, a person who has resided in the United States for many years, but who returns to spend his declining years in the land of his birth, should be credited to the country of his birth, and not to the United States. Conversely, a person who comes to the United States for a short visit, intending to return to his native country to live, should be credited to the United States. Aliens having no permanent residence anywhere, such as peddlers, should be credited to the country from which they last came.

Column 12 (*Name and address of person in country whence alien came*).—The entry should be the name and address of the relative or friend whom the alien is coming to join, or other person to whom he is going. If going to a relative, the entry should show the relationship, as well as the name and address.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. Never write "New York" for a destination. The entry should be the name of the city, town, or village in the United States where the alien intends to make his permanent residence, as within the United States, regardless of ultimate destination.

Column 14 (*Ticket*).—The answer should be either Yes or No, according to whether the alien has a ticket or has not a ticket.

Column 15 (*Whether in possession of $50 and whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*).—The entry should show by whom passage was paid, whether the alien has money, how much, and whether going to join relatives or friends, and if so, what relatives or friends, and their names and complete addresses.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should be yes or no, according to the facts. If the alien has been in the United States before, the entry should give the date of his last visit, and the place where he landed. Many aliens who have been in the United States before have no definite recollection of the date of their former visit. In such cases the inspector should endeavor to ascertain approximately the year of the last visit.

Column 17 (*Whether coming to join a husband, father, or other relative in the United States, and if so, what relative, and his name and complete address*).—The entry should show the name, relationship, and complete address of the person to whom the alien is going.

Column 18 (*Whether ever in prison or almshouse or supported by charity, and if so, what and when*).—The entry should be yes or no, according to the facts. If the alien has been in prison or almshouse or supported by charity, the entry should show the name of the institution, the length of time he was there, and the date when he was there.

Column 19 (*Whether a polygamist*).—The answer should be yes or no, according to the facts. The answer should show whether the alien practices polygamy, believes in polygamy, or is coming to the United States to continue the practice of polygamy.

Column 20 (*Whether an anarchist*).—The answer should be yes or no, according to the facts. The answer should show whether the alien believes in the overthrow by force of the Government of the United States or of all forms of law, or the assassination of public officials, or is coming to the United States to engage in such practices.

Column 21 (*Whether coming pursuant to previous promise, assistance, solicitation, or encouragement of any person, company, partnership, or corporation in the United States, and if so, what person, company, partnership, or corporation*).—The answer should be yes or no, according to the facts. If the alien is coming to the United States pursuant to a previous promise, assistance, solicitation, or encouragement of any person, company, partnership, or corporation in the United States, the entry should show the name and complete address of such person, company, partnership, or corporation.

Column 22 (*Whether in the employ of any person, company, partnership, or corporation, and if so, what person, company, partnership, or corporation*).—The answer should be yes or no, according to the facts. If the alien is in the employ of any person, company, partnership, or corporation in the United States, the entry should show the name and complete address of such person, company, partnership, or corporation.

Column 23 (*Whether a person who has been deported, and if so, how many times*).—The answer should be yes or no, according to the facts. The answer should show whether the alien has been deported, and if so, how many times.

Columns 24 to 33.—These questions are explained on the reverse side of the manifest sheet. All aliens on the sheet are subject to examination by the inspector to the extent required. However, in answering question 26, if an alien has been deported without a hearing and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly, that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel this affidavit of examination shall be sworn to before the Commissioner of Immigration at the port of departure, and if no surgeon sails with the vessel, the affidavit of examination shall be executed at the port of departure before some officer authorized to administer oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (if a widow), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as precisely as possible the occupation, trade, or profession of each person aged 10 years and over, whether actually employed or not. Such entries as "laborer," "servant," "farmer," "merchant," "manufacturer," "clerk," "housekeeper," "housewife," "gentleman," "lady," without further description of the particular occupation, trade, or profession, are not sufficient. Persons formerly engaged in any occupation, but not actually employed at the time of sailing, should be returned as "laborer, not employed," "former merchant, not employed," etc. Persons of leisure or persons living on their income should be returned as such. Wives, children, and other members of the family, unless they have an occupation by which they support themselves entirely or in part, should be returned as "without occupation." Persons under 10 years of age may be entered by the letter "x."

A distinction should be made between farmers and farm laborers, for the reason that the average money brought into the country by the former greatly exceeds that brought in by the latter. The two classes should be returned as follows:

A farmer is one who operates a farm, either for himself or for other.

A farm laborer is one who works on a farm for wages, salary, or share of the crops, but not as overseer or manager.

Steamship companies should make clear distinction between these two classes and should not return as farmers persons who are not entitled to be so classified.

Column 8 (*Able to read or write*).—Under the immigration act every alien over 16 years of age is required to read the following question: "Read what has been given to you, or explained to you, upon what you paid." In answering this question the entry should be "yes" if the alien is able to read, but if he can not, it should be "no." It does not qualify to read and claim exemption from the reading requirement the mere ability to sign one's name, but should be "no."

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the blank. The entry should show the race or people as specified.

Special attention should be paid to the distinction between race and the country of which the citizen, subject, country of last permanent residence, and race or people are considered. Should be carefully noted the important distinction existing in this regard between Irish and English. Irish appearing under the head of country of nationality must be of race or people specified. English appearing under the head of race or people of course must be returned as such. Austrian, German, or Hebrew aliens are not to be properly come under the head of English, Scotch, Irish, or any other country. In this connection the following definitions should be carefully observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban or Negro.

SOUTH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK

"African, Black" refers to the African Negro who, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTHERN

This is applied to persons born in Italy north of the Rivers Po and Magra and in the departments of Piedmont, Lombardy, Venetia, and Emilia, and the districts of Pesaro and Urbino in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTHERN

This applies to all persons born in Italy south of, but not including, the Rivers Po and Magra, and the departments of Piedmont, Lombardy, Venetia, and Emilia, and the districts of Pesaro and Urbino in Italy. Sicily and Sardinia are considered as belonging to Southern Italy. Most of these people speak a Latin dialect of the Italian language.

Column 11 (*Last permanent residence*).—Actual place intended to be lived in. Locality should be given, not country, if possible. Do not return as last permanent residence "America," "United States," "New York," or other indefinite answer. Cities of more than 100,000 inhabitants should be considered as localities, and the name of the city should be followed by the name of the State. The entries in column 11 should be the country in which the alien claims permanent residence. It is important to ascertain positively the intention of the alien in coming to the United States, whether as a permanent resident or temporarily, and to return the evidence on this point in the manifest.

Country of last permanent residence includes aliens who go to the port of departure from the United States and return to the country from which they emigrated. Such aliens are entitled to "United States."

Column 12 (*Name and address of person whom alien is joining*).—The name and address of the person in the United States to whom the alien is going should be given. Name and address of relative in the country whence alien came should not be given.

Column 13 (*Final destination*).—Enter here the question 9: How much money have you with you? Amount should be returned in even dollars. Under no circumstances should the entry be left blank. If the alien has no money, the entry should be "0."

Column 14 (*Whether ticket is purchased by himself or others*).—The answer should be either "Yes" or "No."

Column 15 (*Whether in possession of ticket to final destination*).—The entry should show by whom the ticket was paid, as "self," "husband," "father," "brother," "friend," "Red Cross," "employer," etc.

Column 16 (*Whether in possession of $50 and by whom furnished if less*).—These are the only entries required for females, but males should be returned as follows: "Self," "Self and family," "Self and wife," "Self and child," "Self and children," "Self and relatives," "Self and friend," "Self and family and friend," "Self and wife and friend," "Self and children and friend," "Self and relatives and friend," "Self and family and relatives," "Self and wife and relatives," "Self and children and relatives," "Self and family and relatives and friend," "Self and wife and relatives and friend," "Self "Children and relatives," "Family and relatives and friend," "Wife and relatives and friend," "Children and relatives and friend," "Public funds," "Charitable institution," "Charitable institution and INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (status).* — Steamship lines should make no entries in this column. The entry is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5. *Sex.* — The entry should be either M male or F female.

Column 6. *Married or single.* — The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.* — The entry should describe the occupation, trade, or profession (if any) of each alien, as laborer, clerk, cook, carpenter, etc., and if a laborer, whether agricultural, skilled, or unskilled. Do not enter as laborer persons who have been engaged in any other occupation, trade, or profession, but if a mechanic, engineer, farmer, etc., out of employment, state the fact, but in other words, do not enter gentleman, lady, student, or person of no occupation. A distinction should be made between farmer and farm laborer, the former including all persons who own, hire, or operate farms, the latter including only persons working on farms for others.

A farmer is one who owns or rents a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or renter thereof.

A steamship fireman is not a stoker, coal passer, or trimmer, but is one who tends the furnaces of the vessel.

Do not use such indefinite and meaningless words as servant, waiter, porter, maid, helper, laborer, etc., unless accompanied by words specifying the character of service rendered.

Column 8. *Can read? Can write?* — These columns should be filled by the word Yes or No, as the case may be, opposite the name of each alien who can or cannot read or write, respectively. In answering this question, any degree of intelligible reading or writing in any language or character will suffice. Do not enter Yes unless you have ascertained that the alien can read and write sufficiently to comply with the requirement. The record is frequently challenged, and if it appears that an alien has been admitted who could not read or write, the carrier bringing him is subject to fine. Do not enter Yes merely because the alien declares he can read and write, but be sure that he can actually do so.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — Care should be exercised in entering the race or people of each alien, as the value of the record depends largely upon the correctness of this entry. Specific races or peoples should be stated. The following are regarded as specific races or peoples and should be entered as such: Bohemian, Bulgarian, Canadian (French), Canadian (not French), Cornish, Croatian, Dalmatian, Dutch, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Lithuanian, Magyar, Moravian, Polish, Roumanian, Ruthenian (Russniak), Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Syrian, Turkish, Welsh.

The following are not regarded as specific races or peoples and should not be used: Austrian, Russian, Slavonian, Teutonic, Latin, Celtic, Anglo-Saxon, Mongolian, Slavic, Semitic, Caucasian, Indian, Negro, Colored, Mulatto, Quadroon, Octoroon, Brunette, Blonde, Hispanic, Iberian, Oriental, Asiatic, Australian, African, Native, Islander, Mixed, Unknown, Other, Nationality, Citizen, Subject, Tribe, Race, Color, Stock, Blood, Population, Inhabitant, Resident, Emigrant, Immigrant, Passenger, Traveler, Foreigner, Man, Woman, Person, Gentleman, Lady, Servant, Laborer, Peasant, Farmer, Tradesman, Clerk, Scholar, Student, Missionary, Agent, Employee, Employer, Capitalist, Speculator, Contractor, Settler, Refugee, Colonist, Miner, Sailor, Soldier, Officer, Gentry, Nobility, Royalty, Aristocrat, Commoner, Plebeian, Proletarian, Socialist, Anarchist, Nihilist, Communist, Radical, Reactionary, Liberal, Conservative, Monarchist, Republican, Democrat, Suffragist, Militarist, Pacifist, Capitalist, Criminal, Convict, Ex-convict, Jailbird, Thief, Murderer, Forger, Burglar, Pickpocket, Highwayman, Robber, Gambler, Pirate, Smuggler, Abductor, Kidnaper, Rapist, Libertine, Prostitute, Pimp, Madam, Procuress, Harlot, Courtesan, Concubine, Mistress, Paramour, Lover, Bigamist, Polygamist, Adulterer, Fornicator, Lecher, Sodomite, Pervert, Degenerate, Moron, Imbecile, Idiot, Lunatic, Epileptic, Deaf-mute, Blind, Cripple, Deformed, Hunchback, Dwarf, Giant, Albino, Leper, Consumptive, Tuberculous, Pauper, Beggar, Tramp, Vagrant, Vagabond, Hobo, Bum, Drunkard, Dipsomaniac, Drug-habitué, Illiterate, Anarchist, Atheist, Agnostic, Infidel, Heathen, Savage, Barbarian

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status* — Steamship lines should make [illegible] This space is for special Government officials only.

Column 4. *Age* — The answer in this column should be expressed in years, the latter applying only to those under 1 year of age.

Column 5. *Sex* — The entry should be either M (male) or F (female).

Column 6. *Married or single* — The answer should be M (married), S (single), or W (widowed).

Column 7. *Calling or occupation* — The only classes of persons to be admitted free as laborers are agricultural laborers, domestic servants, and persons following one of the learned professions. Laborers, skilled and unskilled, of all kinds, must pay the head tax. Every person over fourteen and under sixty years of age, physically capable, and not a cripple, must be set down as a laborer, however employed.

A distinction should be made between farmers and farm laborers, the amount of money shown as follows:

A farmer [illegible] who cultivates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages.

Stewards on immigrant vessels should report themselves as such, and specify the number, if necessary, by means of a separate list, so as to relieve the printed manifest of unnecessary entries.

Column 8. *Can read and write* — This column is divided into two parts, headed respectively "Read" and "Write." Persons who can read only should be entered in the first column, and those who can write, in the second column. In answering these questions, the ordinary test of reading or writing a few words in the English language or any other language may be applied. If an alien can read, but not write, he should be entered in the first column only. If he can do neither, a cross (×) should be placed in the first column.

Column 9. *Age and sex of each person over 15 and under 60 years of age who is not a citizen or subject* — Question 9 should be answered by the entry of the letter M (male) or F (female) in the column headed "Sex," and the age of each person over 15 and under 60 years of age who is not a citizen or subject of the country to which he belongs should be entered in the column headed "Age."

Column 10. *Race or people* — See list of race terms [illegible] The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between the words which designate subject, country of last permanent residence, and country of birth, and the entries should be corrected by inquiry and proper strikes in the columns. The entry should express the birth of each person, as to race or people, and not as to country. Thus, a native-born citizen of the United States, of German parentage, should be described as a German, not as an American. So a native of Ireland, of English parentage, should be described as English, not as Irish. Persons of different races, though born on the same island, should be described according to race, as English, Scotch, Welsh, or other race. In like manner, the following directions should be carefully observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies, other than Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether native or inhabitant of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, or Emilia and liberal provinces, whether residing in Italy, Switzerland, Austria-Hungary, or some other country, should be classed as "Italian (north)." Most of these people speak a dialect distinct from the literary language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether living in Italy or elsewhere.

Column 11. *Last permanent residence* — Actual origin is desired. The object is to learn whether the immigrant has been living in a country where he has become saturated with its institutions. The [illegible] which is given should be the place where the immigrant has lived a year or more, and which he considers his home, to which he has the intention of returning after his visit abroad. The entry should be the name of a town, city, or village, and not of a province, state, or country. Thus, a person who has been living in Paris, France, for a year or more, should not report himself as coming from France, but from Paris. The entry should not be "United States" unless the person has been residing in the United States for a year or more, and has the intention of returning to the United States.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address* — The answer should show the name and address of such relative or friend.

Column 13. *Final destination* — The answer to this question should show the intended future permanent residence. An intended visit to some one else is not sufficient reason for admission. Persons coming to a definitely fixed place to settle are to be admitted. Unless the immigrant has the intention of becoming a permanent resident of the United States he should not be admitted. The answer should be the name of a city, town, or village in the United States.

Column 14. *Whether having a ticket through to final destination* — The answer should be either Yes or No.

Column 15. *Whether any person paying passage* — The entry should show the name of the person who paid the passage, whether a relative or friend or employer, and his address.

Column 16. *Whether in possession of money, and how much* — The answer should be expressed in dollars and cents. The amount of money in the possession of each immigrant, whether he has a single dollar or many hundreds, should be stated. Money in the form of drafts, checks, or letters of credit should be reported as money. Any money that is sent to the head of a family or other person should be reported as the property of the family.

Column 18. *Whether ever before in the United States, and if so, when and where* — The answer should show whether or not the alien has been in the United States before, and if so, the year, or approximate year, and place, as 1891, Philadelphia.

Column 19. *Whether coming to join a husband or relative in the United States, and if so, what husband or relative, and his name and complete address* — The answer should show whether the alien is going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self-explanatory, and the answers should all appear on the sheet. They are subject to revision by inspectors or others in the service to which they may be referred. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... (State whether Master, First, or Second Officer) ....., of the ..... , from ..... , do solemnly, sincerely, and truly ..... that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this ..... day of ....., 19

..... Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years for adults, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, coal miner, stone mason, cane worker, locomotive engineer, mining engineer, brass polisher, wood polisher, grain dealer, wood turner, tailor, and not simply as engineer, polisher, molder, turner, or dealer, laborer, or worker.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and receiving clerks during the personal examination of alien arrivals.

Column 8 (*Able to read or write*).—This column must include and contain the following question: "Can the immigrant (or, if exemption is claimed, upon what ground)?" The answer to this question must be entered in this column. If the alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and receiving clerks to this end. For instance, "Hebrew" appearing under the head of country does not mean "Israel," but race or people, and similarly, "Dutch" appearing under the head of race or people does not mean "France" for country. An Irish, German, or Hebrew alien of any race might properly come under the headings of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not to race.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO, BLACK.

"African (black)" refers to the African Negro, whether born in Africa or elsewhere, but not including the people of the islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy in the basin of the River Po, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Umbria, Tuscany, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A record of an intended residence of one year should constitute permanent residence. The last country in which alien resided with the intent and meaning as set out in column 11 should show the country and city or town of last permanent residence. The entry "Switzerland" for the purpose that steamship companies are quickly show country of last permanent residence instead of the country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of person or relative in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, the name and address entered.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence for the year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence. If within the United States country, it outside the United States.

Column 14 (*Whether having ticket through to final destination*).—The answer should be either Yes or No.

Column 15 (*Whether in possession of $50 and if not, by whom furnished, and how much*).—The entry should show definitely by whom possessed, as well husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not (Yes or No) in the United States before, and if so, the year, or period of year, and place, as 1901, New York.

Column 17 (*Whether going to join relatives or friends, and if so, what relatives or friends, and their name and complete address*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are for statistical purposes only, and the answers to the questions in these columns are subject to revision by the proper officers in the event that it is found that the answers to question 26, 27, 28, or 29 indicate that the alien is subject to deportation, or that he has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, _____, Surgeon of the _____, _____ (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly that I have had _____ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of _____, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this _____ day of _____, 19—

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: Civil engineer, stenographer, bookkeeper, merchant, tailor, dressmaker, milliner, cook, waiter, servant, laborer, etc. Entries such as "gentleman," "lady," "student," "child," "none," etc., are not sufficiently descriptive. Nothing else than "farmer" should be entered for persons coming to engage in agriculture, and not merely such persons as have been engaged in farming. Laborers should be described as agricultural, common, day, general, railroad, or other specified kind of laborers. Mechanics should be described as bakers, blacksmiths, boilermakers, brewers, bricklayers, cabinetmakers, carpenters, coopers, engravers, gardeners, glassblowers, jewelers, locksmiths, machinists, millers, millwrights, miners, molders, painters, pattern makers, plasterers, plumbers, potters, shoemakers, stonecutters, tailors, tinsmiths, weavers, wheelwrights, wood carvers, etc., according to the particular kind of work they are actually engaged in at their trades. Entries such as "manufacturer," "dealer," "trader," "agent," "clerk," "salesman," "peddler," "operative," "artisan," "apprentice," "machinist," "engineer," "brass polisher," "steel polisher," "rope maker," "wood turner," etc., are not sufficiently descriptive. Nothing else than "servant" should be entered for persons coming to perform domestic service, and the particular character of such service should be stated, as cook, waiter, valet, housekeeper, nurse, housemaid, laundress, etc. Entries such as "none," "child," "infant," etc., are not sufficiently descriptive. Nothing else than "student" should be entered for persons who have been attending school, and the character of the school should be stated, as public school, private school, high school, college, academy, university, etc. Entries such as "none," "child," "infant," etc., are not sufficiently descriptive. Nothing else than "housework" should be entered for persons coming to perform housework in private families, and the particular character of such work should be stated, as cook, waiter, housekeeper, nurse, housemaid, laundress, etc. Entries such as "none," "child," "infant," etc., are not sufficiently descriptive. Nothing else than "none" should be entered for children and others not supporting themselves by labor, and the reason why they have no occupation should be stated, as child, infant, too young, sick, etc. Entries such as "none," "child," "infant," etc., are not sufficiently descriptive.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and head-tax clerks during the personal examination of alien arrivals.

Column 8 (*Ability to read or not*).—This column is to be left blank, and contains the following question: "Can you read? (Read what language.) If exemption is claimed, upon what ground?" In answering this question the alien need not state that he is able to read, but should be questioned. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean in the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, regardless of the country of which he is a citizen or subject.

Special attention should be paid to the distinction between race and the country of which the alien is a citizen or subject. Country of last permanent residence and country of birth and nationality should be carefully scrutinized by inspectors and head-tax clerks in the records. For instance, "Russia" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" the country. An Irish, German, or Hebrew alien might properly or reasonably render the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro of whatever island, country, or other land of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that section of the Kingdom of Italy known as northern Italy, i. e., the departments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the boundaries of the Kingdom of Italy as above described, i. e., the departments of Tuscany, the Marches, Umbria, Rome, the Virginian Marches, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A record of any temporary residence in a country other than that of last permanent residence. The last country in which the alien resided with the intention of remaining one year or more shall be the last permanent residence entered, but if he resided in such country less than one year, the record in column 11 should show the country and city of his last permanent residence. Persons who have resided for temporary purposes in a country adjacent to their native country, such as Canadians who have resided in the United States and Europeans who have resided in Mexico, Cuba, or adjacent islands, for temporary residence, country of birth, nationality, or race.

Country of last permanent residence (column 11) is where alien has resided one year or more.

Country of last permanent residence (column 11) is where alien has resided one year or more.

Column 12 (*Name and complete address of person in country whence alien came*).—The entry should give name and address of nearest relative. If no such relative, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence for a few months should not be entered as a permanent residence. The entry should show definitely the place, city, or town, if destined for permanent residence in the United States, country, if outside the United States.

Column 14 (*Whether ever before in the United States, and if so, when and where*).—The answer should be either Yes or No, inserted.

Column 15 (*Whether have a ticket through to final destination*).—The entry should show definitely by whom passage was paid—self, husband, father, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less how much*).—The answer should give in each case the exact amount of money the alien has in his possession. Money to be held by the head of a family should not be included, but the amount thus held should be entered against the name of the owner.

Column 18 (*Whether going to join a relative, and if so, what relative and where*).—The entries should show whether or not a relative of the alien is in the United States, and if so, the name and complete address of such relative, the degree of relationship, and the place, city, or town, and State to which the alien is going.

Column 19 (*Whether ever in prison or almshouse, and if so, what institution and where*).—The answer should show whether the alien has been a public charge, and if so, what institution has cared for him, and where.

Columns 20 to 33.—These questions are self-explanatory and the answers to all alien on the sheet are subject to revision by inspectors at the time of the examination of aliens. However, in answering question 26, if alien has been deported within a year or is excluded and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the solemnly, sincerely, and truly that I have had [state whether Surgeon or Assistant Surgeon] do years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 *Head tax status.* — Steam-ship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 *Sex.* — The entry should be either M (male) or F (female).

Column 6 *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each person, as for example, Civil engineer, farmer, laborer, tailor, clerk, servant, merchant, etc. Persons having no occupation, such as women and children, should be entered as "none." Do not use indefinite terms, such as "laborer," "engineer," "manufacturer," "agent," or "dealer," without designating the nature of the occupation.

A distinction is to be made between laborers and farm laborers, regardless of the nature of the work shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make these distinctions, the use of the terms "laborer" and "farmer" being unnecessary. In cases where the person's occupation is indefinite, such as "merchant," "manufacturer," "agent," or "dealer," the exact character of the business usually should be stated, as "retail grocery merchant," "importer of cloths," "manufacturer of shoes," "wholesale dry goods dealer," etc.

The answer should be entered as in the preceding column, "Yes" or "No." Persons who can read only characters or letters for the deaf and dumb, or who can read only raised letters for the blind, should be entered as "No."

Column 10 *Can you write?* — Question 9 should be considered in connection with question 10. The answer should be entered as in the preceding column, "Yes" or "No."

Special attention is invited to the necessity for a correct entry under the proper race or people in answer to question 11.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* The answer in this column should be expressed in years or months; the latter if applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6. *Married or single.* The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, not merely as, for example, "Gentleman," "Laborer," "Servant," "Merchant," "Farmer," or "Clerk," but as "Author," "Editor," "Lawyer," "Physician," "Chemist," "Civil engineer," "Mechanical engineer," "Accountant," "Teacher," "Musician," "Actor," "Painter," "Sculptor," "Surveyor," "Photographer," "Architect," "Miller," "Weaver," "Tailor," "Dressmaker," "Milliner," "Bookkeeper," "Stenographer," "Cabinetmaker," "Barber," "Hairdresser," "Manicurist," "Shoemaker," "Tinsmith," "Butcher," "Baker," "Engineer (stationary)," "Fireman," "Conductor," "Motorman," "Steward," "Cook," "Waiter," "Agent," "Salesman," "Retail dealer," "Wholesale dealer," "Manufacturer," "Banker," "Clergyman," "Missionary," "Actress," "Musician," "Professional baseball player," "Professional baseball umpire," "Jockey," "Groom," "Sailor," "Fisherman," "Hunter," "Soldier," "Sailor," "Scientist," "Aviator," "Aviation mechanic," "Technical engineer," "Agricultural engineer," "Mining engineer," "Civil engineer," "Electrical engineer," "Mechanical engineer," "Marine engineer," "Stationary engineer," "Textile worker," "Iron worker," "Steel worker," "Tinplate worker," "Glass worker," "Lumberman," "Cabinetmaker," "Carpenter," "Machinist," "Locksmith," "Toolmaker," "Moldmaker," "Pattern maker," "Tailor," or other understandable designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction between the men they send; corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at ports of arrival.

Column 8. *Nationality.* This column is divided into two parts, the following question:

Read what language or dialect, if exemption is claimed, upon what ground? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a person is subject, country of last permanent residence and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following observations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

NEGRO, BLACK.

"African (black)" refers to the Negroes of Africa, whether now residents of Africa, the islands of the West Indies, North or South America, Europe, or Asia. Any alien of such admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or an intended residence of one year shall constitute permanent residence. The last country in which location resulted with the intention to maintain one year's permanent residence. The last country in which location resulted with the intention to maintain one year's permanent residence. The last country and city or town of last permanent residence. It is important for census purposes that steamship companies accurately show country of last permanent residence, regardless of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad shall be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13. *Final destination.* These words indicate the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence within the United States (country, if outside the United States).

Column 15. *Whether having a ticket to such final destination.* The answer should be Yes or No. Ticket or No ticket.

Column 16. *Has alien own passage paid.* The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17. *Alien in possession of $50 or any sum of less than $50.* The answer should be Yes or No in each case. If alien is in possession of $50 or more, or if less than $50 is in possession of any member of a family, the fact should be stated. If alien is in possession of less than $50, or if such sum is in possession of any member of a family, the exact amount should be shown. Money belonging to the head of a family should not be divided among the several members of the family.

However, to answer the question as to whether alien has been deported within one year and the Secretary of Labor has given consent for alien to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex* — The entry should be either M, male, or F, female.

Column 6. *Married or single* — The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 7. *Calling or occupation* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, clergyman, clothier, housemaid, lawyer, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, tailor, and not simply as engineer, polisher, molder, turner, or other indefinite designations.

Children over sixteen should be reported as having occupations, and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their entries in the manifests and corrections should be made, if necessary, by inspectors stationed to verify the entries during the personal examination of aliens at dock.

Column 8. *Able to read or write* — The column should be filled in and correspond to the question, "Can you read?" Read what language [not] exemption is claimed upon will not be recorded. In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read, relative exemption from the reading requirement (the reason for such exemption should be given).

Column 9. *Nationality* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people* — See list of races printed on back of manifest. The entry should be the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which the immigrant is subject. Country of last permanent residence and country of birth, as hereinafter directed, should be carefully revised by inspectors and regard should be had in this regard to the following:

The term "Hebrew" is not a race or people, and similarly, "French" is not a race or people, but "French" does not mean "French by birth" in every country. An Irish, German, or Italian who has left the land of race or people of his sentiment, birth, or language, may, in the course of a few years, come under the head of race or people of the country in which he has resided, as frequently happens in the United States, Canada, England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central America, of Spanish, Indian, or Negro race.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native-born or born on the island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy — comprising provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po — comprising provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, any other country, should be classed as "Italian (south)."

Column 11. *Last permanent residence* — Actual origin or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of how long he may have resided there. Persons coming to this country should show the country and city or town of last permanent residence. It is important for the proper administration of the immigration laws that the country of last permanent residence independent of the country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens whose permanent residence is the United States and who are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came* — The entry should give name and address of such relative. If no such relative, he should give name and address of friend.

Column 13. *Final destination* — The answer to this question should be the intended or probable permanent residence. As regards residence of one year, should constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence within the United States, country, if outside the United States.

Column 14. *Whether in possession of $50 and if less how much* — The answer should be Yes or No. If Yes, the exact amount of money shown. Money brought by the immigrant or family should not be divided among the several members of the family.

Column 15. *Whether ever before in the United States, and if so, when and where* — The answer should show whether or not Yes or No in the United States before, and if so, the year or years and place or places, as 1894–1899, Philadelphia.

Column 16. *Whether coming to join relative or friend, and if so, what relative or friend, and his name and complete address* — The answer should show whether Yes or No he is coming to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the entries are to be made thereto as the sheet are subject to revision by an inspector at any time. However, in answering question "Read and write," it has been decided by the Commissioner-General of Immigration and the Secretary of Labor that authority for such reappointment should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly (state whether Surgeon making these oath or employed by the Company) that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years. If under 1 year, the age in months should be stated, as "6 months," "11 months," etc. If 1 year and under 2 years, "1 year," and so forth.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Clerk, farmer, laborer, merchant, tailor, seamstress, servant, engineer, mason, painter, shoemaker, tinsmith, weaver, wheelwright, woodworker, etc. And not merely laborer, clerk, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of income shown, as follows:

A farmer is one who owns or rents a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make these distinctions on the manifests, and care should be used that unnecessary, by request and perhaps charge, during the period of emigration, such aliens.

Column 8. *Can read or cannot read.* — This column should be filled to show whether the alien can or cannot read the English or some other language or dialect. Any alien physically capable of reading shall be regarded as literate, and the fact that he may be illiterate will not exempt him from the operation of the educational test. If the alien can read in more than one language, he should be so classified. If unable to read, he should be classified as unable to read, even though he can write.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should be the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which the alien is subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by the person so detailed to verify entries in this regard. "French," for instance, "Canadian," "Irish," "Scotch," "English," "German," "Italian," "Spanish," "Mexican," "Cuban," "Porto Rican," "Russian," "Polish," "Turkish," "Syrian," "Armenian," "Arabian," "Japanese," "Chinese," "Hindu," "Indian," "Negro," "Portuguese," "Roumanian," "Greek," "Dutch," "Swedish," "Norwegian," "Finnish," "Danish," "Hebrew," etc., are races or peoples, and not countries. The word "Russian" refers to a native or citizen of Russia, and not to a person who speaks the Russian language. Persons who are natives of Austria, Hungary, Germany, Sweden, Norway, Finland, Denmark, Turkey, Syria, Armenia, Arabia, Japan, China, India, Mexico, Cuba, Porto Rico, Russia, Poland, Greece, Holland, Portugal, Roumania, or any other country should be described as "Austrian," "Hungarian," "German," "Swedish," "Norwegian," "Finnish," "Danish," "Turkish," "Syrian," "Armenian," "Arabian," "Japanese," "Chinese," "Hindu," "Indian," "Mexican," "Cuban," "Porto Rican," "Russian," "Polish," "Greek," "Dutch," "Portuguese," "Roumanian," etc., and not by the name of the country of birth.

Special attention should be paid to the distinction between race and country of which alien is a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by the person so detailed to verify entries in this regard. "French," for instance, "Canadian," "Irish," "Scotch," "English," "German," "Italian," "Spanish," "Mexican," "Cuban," "Porto Rican," "Russian," "Polish," "Turkish," "Syrian," "Armenian," "Arabian," "Japanese," "Chinese," "Hindu," "Indian," "Negro," "Portuguese," "Roumanian," "Greek," "Dutch," "Swedish," "Norwegian," "Finnish," "Danish," "Hebrew," etc., are races or peoples, and not countries. The word "Russian" refers to a native or citizen of Russia, and not to a person who speaks the Russian language. Persons who are natives of Austria, Hungary, Germany, Sweden, Norway, Finland, Denmark, Turkey, Syria, Armenia, Arabia, Japan, China, India, Mexico, Cuba, Porto Rico, Russia, Poland, Greece, Holland, Portugal, Roumania, or any other country should be described as "Austrian," "Hungarian," "German," "Swedish," "Norwegian," "Finnish," "Danish," "Turkish," "Syrian," "Armenian," "Arabian," "Japanese," "Chinese," "Hindu," "Indian," "Mexican," "Cuban," "Porto Rican," "Russian," "Polish," "Greek," "Dutch," "Portuguese," "Roumanian," etc., and not by the name of the country of birth.

A distinction should be made between farmers and farm laborers, regardless of the amount of income shown, as follows:

A farmer is one who owns or rents a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make these distinctions on the manifests, and care should be used that unnecessary, by request and perhaps charge, during the period of emigration, such aliens.

Column 8. *Can read or cannot read.* — This column should be filled to show whether the alien can or cannot read the English or some other language or dialect. Any alien physically capable of reading shall be regarded as literate, and the fact that he may be illiterate will not exempt him from the operation of the educational test. If the alien can read in more than one language, he should be so classified. If unable to read, he should be classified as unable to read, even though he can write.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should be the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which the alien is subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by the person so detailed to verify entries in this regard. "French," for instance, "Canadian," "Irish," "Scotch," "English," "German," "Italian," "Spanish," "Mexican," "Cuban," "Porto Rican," "Russian," "Polish," "Turkish," "Syrian," "Armenian," "Arabian," "Japanese," "Chinese," "Hindu," "Indian," "Negro," "Portuguese," "Roumanian," "Greek," "Dutch," "Swedish," "Norwegian," "Finnish," "Danish," "Hebrew," etc., are races or peoples, and not countries. The word "Russian" refers to a native or citizen of Russia, and not to a person who speaks the Russian language. Persons who are natives of Austria, Hungary, Germany, Sweden, Norway, Finland, Denmark, Turkey, Syria, Armenia, Arabia, Japan, China, India, Mexico, Cuba, Porto Rico, Russia, Poland, Greece, Holland, Portugal, Roumania, or any other country should be described as "Austrian," "Hungarian," "German," "Swedish," "Norwegian," "Finnish," "Danish," "Turkish," "Syrian," "Armenian," "Arabian," "Japanese," "Chinese," "Hindu," "Indian," "Mexican," "Cuban," "Porto Rican," "Russian," "Polish," "Greek," "Dutch," "Portuguese," "Roumanian," etc., and not by the name of the country of birth.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in the provinces of Piedmont, Lombardy, Venetia, and Liguria and their descendants, except those born in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian, North." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, comprising Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants, except those born in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian, South."

Column 11. *Last permanent residence.* — Actual or bona fide intended residence as distinguished from temporary residence. The last country in which alien resided with the intention of remaining one year constitutes residence. The last country in which alien resided with the intention of remaining one year shall be the last permanent residence regardless of other brief actual residence thereafter. The entry should show the country and city or town. Use permanent address. It is important for certain purposes that steamship companies accurately show this item. Last permanent residence should not be confused with country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative.* — Give name and address of relative from whom alien came. The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question will be the city, town, or permanent place of residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place in city or town of intended future permanent residence in the United States. If not intending to remain permanently in the United States, write "Passing through" or "Not to remain."

Column 14. *If detained at port of arrival, state final destination.* — The answer should be either "Not detained" or "Not to be detained."

Column 15. *By whom was passage paid.* — The entry should show clearly by whom passage was paid, as, each, husband, father, brother, or other relative, model, steamship company, etc.

Column 16. *Whether in possession of $50 and if less than $50 how much.* — The entry should be "Yes" or "No," as each adult individual or family (the exact amount of money shown). Money for each individual or family should not be divided as to the several members of the family.

Column 17. *Whether ticket is first, second, or third class.* — The entry should show whether ticket is first, second, or third class.

Column 18. *Whether or not going to join relatives or friends, and if so, what relatives or friends, and their names and complete address.* — The answer should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 19. *Whether ever before in the United States and if so, when and where.* — These questions are self-explanatory, and the answer, like all others on the list, are subject to revision by inspection officer in the examination of aliens. However, in a case where question 22, to which has been objected within one year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Column 20. *Whether going to join relatives or friends, and if so, what relatives or friends, and their names and complete address.* — The answer should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 21. *Whether ever before in the United States and if so, when and where.* — These questions are self-explanatory, and the answer, like all others on the list, are subject to revision by inspection officer in the examination of aliens. However, in a case where question 22, to which has been objected within one year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than those of Cuban or Negro race).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African, Black" refers to the African Negro, whether coming from Cuba or other islands in the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the work in which the alien is engaged, as for example: Civil engineer, stenographer, clerk, location, trade, or profession of each person arriving, as laborer, farmer, merchant, engineer, mining engineer, brass polisher, steel polisher, iron worker, wood turner, etc., and not simply as worker, polisher, mother, father, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of means shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should make thereon the notation "Passenger," and corrections should be made if necessary, by inspectors and deputy clerks at time the personal examination of aliens arrived.

Column 8. *Can read and write.*—This column should be filled and contain the following question to be asked by the inspector: "Can you read and write?" In answering this question it is sufficient to record as the alien's ability to read should he read, and to write should he write, the ability to read and write any language. The exemption from the literacy requirements of certain classes of aliens specified in the law should be noted in this column.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should describe the racial people given in that list.

Special attention should be paid to the distinction between the country of which a citizen or subject, country of last permanent residence, and country of birth, and inquiries should be carefully revised by inspectors and deputy clerks in this regard. For instance, a Hungarian, according to the head of country descent means Hungary, but according to race or people, and under the head of race or people does not mean Hungarian by country. So Irish, German, or Hebrew alien's race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans, Haitians, or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Africa direct or who has resided in the West Indies, North or South America, Europe, or Asia. Any alien with negro blood in him of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.*—A total stay intended by the intention of remaining one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year shall be the last permanent residence, regardless of length of time actually passed there. The citizen or subject of a country who comes to the United States for the purpose of study, pleasure, or business, and who has not the intention of remaining one year, shall not be considered as having established a permanent residence in the United States. It is important that the alien should show the country and city or town in which he had his permanent residence. It is not sufficient for the purposes that a steamship company, generally, shows a country. That permanent residence is made up of necessity of temporary residence. Country of birth, nationality, or race.

Country of last permanent residence of aliens who came from, and resided in, the United States and are returning from abroad should be recorded. United States.

Column 12. *Name and complete address of nearest relative.*—The entry should show the name and address of the nearest relative of the alien in the country whence he came. The entry should show distinctly the place, city or town. Unmarried persons should give the name and address of parent, husband, wife, child, brother, sister, or guardian. Persons having no relatives should so state.

Column 13. *Final destination.*—The alien will be questioned as to the city, town, or place to which he is destined, and the entry should show distinctly the place, city or town. Unmarried persons should give the name and address of the person who has sent for them, or with whom they intend to reside. Persons having no definite destination should so state. The entry should show the State, city, or town, if outside the United States.

Column 14. *Whether having a ticket to such final destination.*—The answer is either Yes or No, Yes or No ticket.

Column 15. *Whether in possession of $50 and if less how much.*—The entry should show whether each alien has in his possession $50 or more, and if less than $50 how much. The amount of money each person has in his possession should be stated, and not the total amount carried by the family. Money brought by the head of a family should be distributed, if necessary, among the several members of the family.

Column 16. *Whether going to join relatives and if so what relatives and where.*—The entries should show whether each alien has relatives in the United States, and if so what relatives, and where they reside, as for example: Father, John Smith, Chicago, Ill.; brother, Thomas Jones, Philadelphia, Pa.; friend, Peter Brown, 1901 Fifth Avenue, New York City. The answer should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers will, in all cases, be given by the aliens. They are not to be passed upon by inspection officers at time of examination of aliens. However, in answer to question 27, if alien has been deported within one year, and the circumstances of his case warrant him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do
(State whether Surgeon "sailing therewith" or "employed by owners thereof" as the case may be)
solemnly, sincerely, and truly that I have had years' experience as a Physician

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship line should make no entries in this column. This space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed by years or months, the latter applying only to those under 1 year old.

Column 5. *Sex.*—The entry should be either M male or F female.

Column 6. *Married or single.*—The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Clerk, engineer, carpenter, farmer, merchant, laborer, polisher, steel polisher, iron molder, wood turner, etc., and not simply workman, laborer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regarding as of the former class only such persons as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who pays him.

Steamship companies should make three entries on the manifests and connect them by ditto marks where necessary: Is the person going to join a relative or friend, and if so, what relative or friend? Is the person going to stay in the United States permanently? Has the person been in the United States before? If so, when?

Column 8. *Nationality.*—The answer should be the country in which the person is a subject. Persons born in Germany, Austria-Hungary, Russia, Turkey, and other countries should be carefully examined by inspectors and reported clearly in this regard. For instance, Poles appearing under the head of country does not mean French by race or people, and similarly, Czechs appearing under the head of race or people does not mean Austrian or Germans or Hebrews, also to be race might properly come under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban or Negro.

SOUTH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK.

"African Black" refers to the African Negro, whether born in Africa, or in the British West Indies, North or South America, Europe, or Africa. Any alien with the appearance of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, including the provinces of Piedmont, Lombardy, Venetia, and Emilia, and all other descendants who, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian (south).

Column 11. *Last permanent residence.*—Actual place intended to be permanent residence. The last country in which the person resided with the intention of remaining permanently should be the last permanent residence regardless of whether he has been there for 1 year or 20 years. If he did not live in the country and city or town of last permanent residence long enough for the steamship company or its local party to get the steamship company's slip, country of last permanent residence should be recorded. Country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of those who are permanent residents of the United States or are going to remain permanently abroad should be recorded. United States.

Column 12. *Name and complete address of relative or friend.*—The name and address should be those of the nearest relative. If no relative, the name and address of friend.

Column 13. *Final destination.*—The answer to the question should be the place intended for permanent residence. Intended residence temporary or doubtful, especially persons going to Canada, should be recorded usually the place, city or town of intended future permanent residence in the United States, if possible. If not possible the United States.

Column 15. *Whether coming to join husband, wife, father, etc.*—The answer should be Yes or No, as the case may be. Yes or No.

Column 16. *Ever in prison, etc.*—The entry should show definitely whether the person has been in prison or almshouse or institution for the insane or supported by charity, or is a polygamist, or has been previously deported, and if so, when and why.

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.*—The answer should show whether the person is going to a relative or friend and if so, what relative or friend, and his name and complete address.

Column 20 to 23.—These questions are self-explanatory and the answer should be either Yes or No. It is not to be expected that the inspection officer is to cross-examine each alien regarding these questions, but if he has been deported heretofore or is a polygamist, or has been in prison, or is coming to join a relative or friend, or has not the amount of money required by the act, or is otherwise clearly not admissible, the fact should be developed by the inspection officer and recorded on the manifest.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years, or if under 1 year of age, by months, applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M. male or F. female.

Column 6. *Married or single.*—The answer should be M. married, S. single, Wd. widow or Wr. widower, or Div. divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, "cotton spinner," "tailoress," "dressmaker," "milliner," "seamstress," "brass polisher," "steel polisher," "iron molder," "wood turner," etc., and not simply "laborer," "servant," "housekeeper," "gentleman," "lady," or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made if necessary, by inspectors and receiving clerks during the personal examination of the aliens.

Column 8. *Able to read and write.*—This column must be duly filled out to show the literacy question. Read what has been said in the paragraph "Cannot read, but can write." In answering this question the language or dialect the alien is able to read should be stated. If alien can read and claims exemption from the reading requirement, the words "Read by exempt" should be entered.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—Separate race printed on back of the sheet. The entry should be the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and country, or which is the same thing, subject, country of last permanent residence, and country of birth, and inquiries should be carefully revised by inspectors and primary clerks in this regard. For instance, a Hebrew, apparently under the head of country does not mean "Israelite" as race or people stated, similarly, "French" apparently under the head of race or people describes not a nation "France" by country. An Irish, German, or Hebrew actually race might properly come under the heading of Ireland, Switzerland, or any other country. In connection the following discriminations should be especially observed:

CUBA.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SOUTH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish blood.

AFRICAN (BLACK).

"African (black)" refers to the Negroes of Africa. Negroes of the islands of the West Indies, North or South America, Europe, or Asia should be entered as natives of the country in which born. Negroes should be classified under these terms.

ITALIAN, NORTH.

The people who are natives of the basin of the River Po in northern Italy, comprising the departments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—What country in which alien resided with the intention of remaining one year or more should be the last permanent residence, regardless of length of actual residence therein. Thus, if a man came to Canada from the country of his birth, but with the intention of remaining only one year, and then returned to the country of birth, Canada would not be his permanent residence. It might happen that a man lived for years in one country, but with the intention of returning to another country, and that his permanent residence was in the latter country. Persons who have resided in various countries, but have no permanent residence in any of them, should be recorded "No permanent residence." Persons who have resided in the United States and who have gone abroad temporarily should be recorded "United States."

Column 12. *Name and complete address of relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative, the nearest friend should be entered.

Column 13. *Final destination.*—The answer to the question should show the intended future permanent residence. Any intended residence of one year shall constitute permanent residence. The entry should be the name of the place, city or town, of intended future residence. It is not sufficient to enter the United States, country, or outside the United States.

Column 14. *Whether in possession of railway ticket to final destination.*—The answer should be Yes ticket, or No ticket.

Column 15. *Whether in possession of $50 and if less how much.*—The entry should show the amount of money in possession of the alien at the time of inspection. The amount should be stated, even though it exceeds $50. Should a family have a common fund, the head of the family should be questioned as to the amount of money in the possession of the family, and not each member of the family.

Column 16. *Whether going to join relative or friend and if so what relative and his address.*—The answer should be Yes or No, and if Yes, the name and complete address of the relative should be entered. Where the alien is going to a place other than the home of a relative or friend, the name and complete address of the person who has paid the passage should be entered.

Column 17. *Whether ever before in the United States and if so when and where.*—The answer should be Yes or No, and if Yes, the time and place of last visit should be stated. Where the alien has been in the United States more than once, the dates of the several visits should be given.

Column 18. *Whether ever in prison or almshouse or supported by charity and if so what and when.*—The answer should be Yes or No, and if Yes, the nature of the institution, the authority by which supported, and the length of time therein should be stated.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____ from _____, do solemnly, sincerely, and truly
(State whether Master, First, or Second Officer)
that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The entry is for use of Government officials only.

Column 4. *Sex.* — The entry in this column should be expressed by the letters M or F, the former applying only to males and the latter only to females.

Column 5. *Age.* — The entry should be either M, male, or F, female.

Column 6. *Married or single.* — The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 7. *Calling or occupation.* — The entry should describe the occupation as precisely as possible, because upon it depends the admissibility of many aliens. For example, laborers, artisans, servants, seamstresses, and persons of similar callings are excluded by the contract labor law, unless they are specifically exempted from its operation, while persons of certain professions, such as ministers of the gospel, professors of colleges, authors, lecturers, and persons of similar callings are admissible. Persons having no occupation, such as women and children, should be so stated. Laborers, skilled and unskilled, should be specifically described, as thus: Agricultural laborers, carpenters, engineers, farmers, factory operatives, fishermen, lumbermen, mariners, miners, servants, tailors, weavers, etc. Persons without occupation, such as women and children, should be so stated. Laborers, skilled and unskilled, should be specifically described, as thus: Agricultural laborers, carpenters, engineers, farmers, factory operatives, fishermen, lumbermen, mariners, miners, servants, tailors, weavers, etc.

A farmer is one who owns or operates a farm — one who tills the soil himself or employs others to do so.

A farm laborer is one who works on a farm for the man who owns it.

A laborer is one who does general work requiring no particular skill, such as that performed by porters, teamsters, and common laborers.

Steamship companies should make the distinction on the manifests and correctly classify the aliens as to occupation, because upon the correctness of the entry depends the proper examination of them at the ports of arrival.

Column 8. *Nation or people.* — This column should be filled out with the name of the country to which the alien belongs. In answering this question, do not state "English," "Scotch," "Welsh," "British," "German," "Austrian," "Hungarian," "Irish," "Canadian," "Mexican," "Cuban," "West Indian," "Polish," "Russian," "Finnish," "Turkish," "Armenian," or "Syrian," unless the alien belongs to the country designated by that name. Read what has been said in regard to this matter in the last paragraph of the instructions relative to the data to be furnished concerning aliens in transit through the United States.

Column 9. *Country of last permanent residence.* — Answer this question by the name of the country in which the alien has resided for one year or more immediately preceding the time of sailing for the United States. Do not enter "Europe," "Asia," "Africa," "America," "Australia," or other grand divisions of the earth, as the name of a country. Do not enter "Scotland," "England," "Ireland," "Wales," "Great Britain," "Canada," "Mexico," "Cuba," "West Indies," "Poland," "Russia," "Finland," "Turkey," "Armenia," "Syria," "Germany," "Austria-Hungary," "Italy," "India," "China," "Japan," or "Australia," as the name of a country, as the object of this column is to ascertain definitely from what country each alien has come to the United States. Special attention should be paid to the fact that the country to be entered is the country of last permanent residence, and not country of birth, and manifests should be carefully reviewed by masters and reviewing officers with a view to detecting any incorrect entries in this respect. Entries of country of last permanent residence, such as "France," "Germany," "Italy," "Ireland," "Scotland," "England," "Wales," "Great Britain," "Canada," "Mexico," "Cuba," "West Indies," "Poland," "Russia," "Finland," "Turkey," "Armenia," "Syria," "Australia," or "India," as the name of a country, do not meet the requirements of the law, and will be corrected before the aliens will be admitted to the United States.

Column 10. *Race or people.* — See Section 38 of the immigration act of February 20, 1907, and the instructions thereunder. The term "race" is used in a very comprehensive sense in the immigration act, and persons belonging to what is commonly known as a people or nationality may belong to several races. For example, the Scotch belong to the Celtic race, the Anglo-Saxon race, and sometimes to the Teutonic race; the Welsh belong to the Celtic race and the Anglo-Saxon race; the English belong to the Anglo-Saxon race and sometimes to the Celtic race; the Irish belong to the Celtic race and sometimes to the Anglo-Saxon race; the Germans belong to the Teutonic race; the Hebrews belong to the Hebrew or Semitic race; the Italians belong to the Latin race; the Spanish belong to the Latin race; the Portuguese belong to the Latin race; the Mexicans belong to the Spanish-American race; the Cubans belong to the Spanish-American race; the West Indians belong to the African race; the Negroes belong to the African race; the Chinese belong to the Mongolian race; the Japanese belong to the Mongolian race; the Hindus belong to the Hindu race; the Armenians belong to the Armenian race; the Syrians belong to the Syrian race; the Turks belong to the Turkish race; the Finns belong to the Finnish race; the Russians belong to the Slavonic race; the Poles belong to the Slavonic race; the Bohemians belong to the Slavonic race; the Dalmatians belong to the Slavonic race; the Croatians belong to the Slavonic race; the Slovenians belong to the Slavonic race; the Ruthenians belong to the Slavonic race; the Montenegrins belong to the Slavonic race; the Servians belong to the Slavonic race; the Bulgarians belong to the Slavonic race; the Roumanians belong to the Roumanian race; the Magyars belong to the Magyar race; the Dutch belong to the Teutonic race; the Flemish belong to the Teutonic race; the Scandinavians belong to the Teutonic race; the Danes belong to the Teutonic race; the Swedes belong to the Teutonic race; the Norwegians belong to the Teutonic race; the Icelanders belong to the Teutonic race; the Greeks belong to the Hellenic race; the Basques belong to the Basque race; the Spanish belong to the Iberian race; the Portuguese belong to the Iberian race; the Cubans belong to the Iberian race; the Mexicans belong to the Iberian race; the Filipinos belong to the Malay race; the Koreans belong to the Korean race; the Arabs belong to the Arabian race; the Jews belong to the Hebrew or Semitic race; the Gypsies belong to the Gypsy

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Last residence.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years; write the figures opposite only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of the person mentioned, as, for example, Farmer, engineer, carpenter, physician, author, editor, clerk, cook, painter, baker, tailor, blacksmith, mason, laborer, servant, or other occupation, stating, specifically, the kind of work done. Such designations as "merchant," "manufacturer," "agent," "gentleman," "capitalist," "official," "clerk," or "laborer," unless accompanied by a specific statement of the character of the business carried on, the nature of the official duties performed, or the kind of labor performed, are indefinite and insufficient.

A distinction should be made between farmers and farm laborers, regardless of the amount of property owned, as follows:

A farmer is one who owns a farm, or lives on a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should make the distinction on the manifests, and care must be taken that the word "farmer" be not used indiscriminately in describing the persons who are not entitled to the term.

Column 8. *Can read.* — These words are to be inserted opposite the name of every person who can read any language, and left blank in the case of persons who can not read.

Read what the person can read. Exemption in favor of a relative or friend, or by reason of the possession of money or other cause, is not to be recognized. Persons who can read but not write, and persons who can write but not read, are not to be considered as coming within the exemption from the reading requirement; they must be entered as unable to read.

Column 9. *Nationality.* — The answer in this column should be expressed so as to indicate the country of which the person named is a native, as Russia, England, Scotland, Ireland, Germany, France, Italy, Sweden, Norway, Mexico, Cuba, Japan, China, India, Turkey, Greece, Arabia, Armenia, Hungary, Austria, Bohemia, Poland, Finland, Holland, Belgium, Switzerland, Spain, Portugal, Roumania, Servia, Montenegro, Bulgaria, Denmark, Iceland, Canada, Mexico, Cuba, Central America, South America, Australia, New Zealand, Africa, Asia, Europe, Scotch, Irish, English, German, French, Italian, Swedish, Norwegian, Russian, Polish, Finnish, Dutch, Flemish, Belgian, Swiss, Spanish, Portuguese, Roumanian, Servian, Montenegrin, Bulgarian, Danish, Icelandic, Canadian, Mexican, Cuban, Japanese, Chinese, Indian, Turkish, Greek, Arabian, Armenian, Hungarian, Austrian, Bohem

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.* — Steamship lines should make no entries in this column. The name is for vessel Government officials only.

Column 3. *Age.* — The answer in this column should be expressed by entering the number of the age, and not otherwise; as, please under 1 year of age.

Column 4. *Sex.* — The entry should be either M, male, or F, female.

Column 5. *Married or single.* — The answer should be M, married; S, single; W, widow or widower; D, divorced.

Column 6. *Occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Clerk, merchant, farmer, engineer, laborer, tailor, seamstress, housekeeper, servant, cook, waiter, barber, shoemaker, tailoress, dressmaker, milliner, etc. Avoid such indefinite terms as "laborer," "servant," "housework," "none," or other indefinite designations.

All persons should be marked between farmers and farm laborers, regardless of the amount of money they have, as follows:

A farmer is one who operates a farm either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their agents issue to the manifest clerk copies of the cards of the inspection officers, before the vessel's departure, so that the manifest clerk may have the information called for by this column.

Column 7. *Can read.* — This column should be marked with the letter Y, yes, or N, no, to show whether the alien can read or not. Read what language, if exemption be claimed, must be answered in the affirmative. Any person who can read in any language is to be regarded as able to read, and should be so marked. In the event that an alien claims exemption from the reading requirement, the reason for such exemption should be given.

Column 8. *Write.* — Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 9. *Name of country.* — See list of countries printed on back of the sheet. The entry should show the race or people, as near as possible.

Special attention should be paid to the choice to be made between race and the country of which the race or people is a component part. The country of last permanent residence and country of birth, and nearness thereto, should be carefully considered. Inquiry should be made in this regard. For instance, France adjoins under the heading countries has not meant. Does he belong to a race or people, and, similarly, French Canadian comes the head of race or people does not mean. Does he belong to a country. An Irish, German, or Hebrew should not be put down as coming under the flag of England, Switzerland, or any other country. In this connection the following distinctions should be carefully observed:

NEGRO.

The term "Negro" refers to the Ethiopian people, not Negroes.

MULATTO.

"West Indian" refers to the people of the West Indies, other than Ethiopians or Negroes.

QUADROON.

"Spanish American" refers to the people of Central and South America of Spanish descent.

OCTOROON.

African (black) refers to the Negroes of Africa, whether born in Africa or elsewhere in the West Indies, North or South America, Europe, Asia, or Australia. Any admixture of blood of the African Negro should be classified under this head.

ITALIAN, NORTH.

The people who are native to the basin of the River Po (sometimes called Padus), comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether born in Italy or elsewhere, should be classified as Italian, North. Natives of Austria-Hungary, or any other country, should be classed as Austrian, Hungarian, etc., even though they may be of Italian race. Natives of these provinces speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to the peninsula of Italy south of the Provinces of Piedmont, Lombardy, Venetia, Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether born in Italy or elsewhere, should be classed as Italian, South.

Column 11. *Last permanent residence.* — Actual residence intended, not mere citizenship or a technical domicile. The last country in which alien resided with the intention of remaining, even though he may not have resided there long. It should be the last permanent residence regardless of how short or long the alien resided there. The entry in column 11 should show the country and city or town. If last permanent residence is given as "America" or "United States," or if the alien has resided in Canada, Mexico, Cuba, or adjacent islands for a short time only, the immediate previous permanent residence should be given. Nonimmigrant aliens, such as temporary visitors, tourists, students, and others, who have a permanent residence in a foreign country, should not be given credit for a permanent residence in the United States.

Column 12. *Vessel and port by which last arrived.* — The entry should show the name and nationality of vessel by which alien arrived. The port should be the last port from which the vessel sailed before arriving at the port of entry in the United States.

Column 13. *Whether ever before in the United States.* — The entry should be Y, yes, or N, no. Previous visits, whether as nonimmigrant visitor, student, or immigrant, should be noted. Any alien who has been in the United States at any time previously should be marked Y, yes.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The entry should show whether the alien has a ticket through to his destination, and whether he has been supplied with funds sufficient to enable him to reach his destination. The name and address of the relative or friend with whom the alien intends to reside or who has purchased the ticket or furnished the money should be given. The name and address of the person who paid for the passage should be given if the alien is traveling on a ticket purchased by another person.

Column 15. *Whether in possession of $50 in money, and if not, how much.* — The entry should be Y, yes, or N, no. Any amount of money in excess of $50 should be reported. Any alien who has been in the United States at any time previously should be marked Y, yes.

Column 16. *Final destination (State and city).* — The entry should show the State and city of the ultimate destination of the alien, as far as known. Merely stating "New York" is not sufficient. Every effort should be made to secure the exact address in New York City, Brooklyn, Buffalo, Philadelphia, etc.

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The entry should show the relative or friend with whom the alien intends to reside or who has purchased the ticket or furnished the money for the passage, and the complete address.

Columns 18–20. These questions are self-explanatory and require no comment. The object of question 20 is to ascertain whether the alien has been in the penitentiary or prison for crime. However, to answer question 20 "Yes" is not, in itself, sufficient cause for debarring the alien from admission into the United States, unless the crime was one involving moral turpitude.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly that I have had [State whether Surgeon (Acting Surgeon) of (England), (Ireland), or (Scotland)] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Alien.* — The answer in this column should be expressed in words or in full, the figure 1 applying only to those under 1 year of age.

Column 4. *Sex.* — The entry should be either M (male) or F (female).

Column 5. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 6. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Coal engineer, stationary engineer, laborer, machinist, tailor, carpenter, brass polisher, steel polisher, pen maker, wood turner, etc., and not merely laborer, engineer, polisher, maker, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of finances shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make no distinction in the matter of sex and age, the head of each family or group to be questioned, and the answer recorded, regardless of the personal examination of alien by the inspectors and registry clerks during the period of examination of aliens by the latter.

Column 8. *Nation to which race or people belong.* — This column is to be filled in answering the question: Read what language he (or she or the children) can read. If the alien can read more than one language, the language or dialect in which he can read best should be stated. If alien can not read at all, state the fact. Under no circumstances should the word "unknown" be used. Question 9 should be considered to mean the country of which alien is a citizen or subject.

Column 10. *Name of city, town, or village.* — This question is printed on back of this sheet. The entry should be the nearest post office to which the alien intends to go.

Special attention should be paid to the distinction between the entries of which the answers required by questions 9 and 10 are to be made. For instance, supposing an alien to be a native of Russia, but a subject, citizen, or denizen of Finland, the answer to question 9 should be "Finland," and to question 10 "Russia." Under no circumstances should the answer to question 10 be "Finn" or "Finnish," as the Finns are people of the Russian Empire, and not of Finland. Similarly, a native of Austria-Hungary, but a subject of Bohemia, should be described as a Bohemian, and not as an Austrian. Persons born in Germany, but subjects of Poland, should be described as Poles, and not as Germans. Natives of Turkey in Asia, but subjects of Turkey in Europe, should be described as Turks, and not as Asiatics. Natives of Scotland, Ireland, or Wales, subjects of Great Britain, should be described as Scotch, Irish, or Welsh, and not as English. Natives of Canada, but subjects of Great Britain, should be described as Canadians, and not as English. Natives of Switzerland, but subjects of France, Germany, or Italy, should be described as French, German, or Italian, according to the district in which they were born. Natives of Alsace-Lorraine, who are subjects of Germany, should be described as Germans. Natives of Syria, Arabia, Persia, Afghanistan, Beluchistan, Thibet, Burmah, Siam, Anam, Japan, China, Korea, Borneo, Java, Sumatra, Philippine Islands, Australia, New Zealand, Hawaii, Madagascar, Liberia, Egypt, Tripoli, Algeria, Tunis, Morocco, Abyssinia, Cape Colony, Natal, Transvaal, Orange Free State, Canada, Mexico, Central America, South America, Cuba, Porto Rico, Haiti, Santo Domingo, Iceland, Greenland, Norway, Sweden, Denmark, Holland, Belgium, Switzerland, Germany, France, Spain, Portugal, Italy, Austria-Hungary, Russia, Finland, Turkey in Europe, Greece, Roumania, Servia, Montenegro, Bulgaria, Turkey in Asia

AFFIDAVIT OF SURGEON

I, , Surgeon of the , (State whether U. S. Army or Navy), do solemnly, sincerely, and truly that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.*—Surname, steamship line should make no entries in this column. The same is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years. If under 1 year of age, the number of months should be given. The same applies to those under 1 month old.

Column 5. *Sex.*—The entry should be either M male or F female.

Column 6. *Married or single.*—The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien. For example, clerk, cook, servant, baker, tailor, painter, dressmaker, milliner, engineer, farmer, carpenter, mason, printer, publisher, bookbinder, jeweler, or other industrial or trade title.

A distinction should be made between laborers and farm laborers, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and should not be satisfied with the entry, by inspectors, of "laborer" or "farmer" when the alien has stated his occupation otherwise.

Column 8. *Able to read and write.*—This column is self-explanatory. By "reading" is meant the ability to read the language or dialect the alien reads to read should be stated. If alien is unable to read, but claims exemption from the reading requirement, the ground for such exemption should be stated. Answer in this column should be "Yes" or "No."

Column 9. *Nationality.*—Nationality should be understood to mean the country to which the alien owes allegiance.

Column 10. *Race or people.*—See list of races, printed on back of the sheet. The race of each alien should be indicated as one of those listed.

Special attention should be paid to the distinction between race and the country to which the alien owes allegiance, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reporting clerks in this regard. For instance, a person coming under the head of country does not mean "English," "Scotch," "Welsh," "French," or "German," but "British," "French," or "German," as the case may be. Similarly, Irish, Germans, or Hebrews, or persons coming under the head of various peoples do not mean England, Germany, Austria, Russia, or any other country. In the case of Hebrews, the race might properly come under the head of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native or born in the United States or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of blood of the African Negro should be classified under this head.

ITALIAN NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., Compartimenti of Piedmont, Liguria, Venetia and Emelia and their descendants, whether in the United States, Italy, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these local Venetian, Bergamese, or Genoese dialect of the Italian language.

ITALIAN SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., Compartimenti of Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia and their descendants, whether in the United States, Italy, Austria-Hungary, or any other country, should be classed as Italian (south). Most of these people speak a Gallic dialect of the Italian language.

Column 11. *Last permanent residence.*—Actual home or place of abode which the immigrant has had for a year or more prior to his coming to the United States. The last country in which alien resided with the intention of remaining for a year or more is to be stated as the last permanent residence. The fact that an alien may have been a citizen of a country does not necessarily show that country to be the last permanent residence. The intention of the alien to remain for a year or more should show the country and city or town of last permanent residence. Thus, a Russian Hebrew may have been naturalized at Boston before sailing for a visit to Russia, but if he had resided in Russia for a year or more with intention of remaining there, Russia should be stated as last permanent residence. Temporary residence in another country for the purpose of visiting, business, pleasure, or education does not constitute a change of permanent residence. Thus, a person who has resided in Canada a year or more, but who has been employed in the United States during the greater part of the year, and who has gone to Canada for a visit, should show the United States as last permanent residence.

Column 12. *Name and complete address of nearest relative.*—Immediate relative in the country whence alien came and address of such relative. Do not use initials.

Column 13. *Final destination.*—The answer to this question should show the intended place of residence in the United States. Aliens should be encouraged to go to their friends, if they have any, and should be asked to give their friends' names and addresses. Any intended future change of residence within the United States should be stated. Do not use initials. Do not abbreviate the names of States or cities. Do not use "Ditto" marks. Do not write "Same." Do not write "Unknown." Do not write "Will be supplied later." Do not write "Will be forwarded later." Do not write "Will be given later." Do not write "Will be furnished later." Do not write "Will be sent later." Do not write "Will be reported later." Do not write "Will be mailed later." Do not write "Will be telegraphed later." Do not write "Will be wired later." Do not write "Will be cabled later." Do not write "Will be known later." Do not write "Will be decided later." Do not write "Will be determined later." Do not write "Will be ascertained later." Do not write "Will be found later." Do not write "Will be located later." Do not write "Will be settled later." Do not write "Will be arranged later." Do not write "Will be supplied later." Do not write "Will be forwarded later." Do not write "Will be given later." Do not write "Will be furnished later." Do not write "Will be sent later." Do not write "Will be reported later." Do not write "Will be mailed later." Do not write "Will be telegraphed later." Do not write "Will be wired later." Do not write "Will be cabled later." Do not write "Will be known later." Do not write "Will be decided later." Do not write "Will be determined later." Do not write "Will be ascertained later." Do not write "Will be found later." Do not write "Will be located later." Do not write "Will be settled later." Do not write "Will be arranged later."

Column 14. *Whether having a ticket paid.*—The answer should show whether or not the passage was paid as such by the alien himself, by his father, or other relative. The answer should not be "Yes" or "No" merely.

Column 15. *Whether in possession of $50 and by whom furnished.*—The answer should show whether or not the alien has the amount of money shown. Money belonging to the family, but handled or taken charge of by the alien, should be considered as in his possession. Money belonging to the family, but not handed to the alien, should not be considered as in his possession. The answer should show whether or not the alien has the amount of money shown, and if so, whether it was furnished by himself or by others

A farm laborer is one who works on a farm for the man who controls it.

Steamship companies should make the distinction between "Laborers" and "Farm laborers" obligatory upon their passengers, by suggestion and repetitory checks at the time the tickets are purchased.

Column 8. *Nationality.* — The entry should be confined to the name of the country in which the alien claims nationality or citizenship.

Column 9. *Race or people.* — Question 9 should be constructed to elicit information as to the race or people to which each alien belongs. Care should be taken that the answers to this question are entered in such a manner as to show clearly the racial classification of each alien.

Do not write "Canadian," "German," "French," or other nationality, unless the alien can read the language (or dialect) commonly spoken in that country. Persons who can read more than one language should be credited with the one in which they are most literate.

Do not write "Philadelphia" or "New York," but "Philadelphia, 1907," or "New York, 1906," or as the case may be.

Column 14. *Whether in possession of $50 in money, and how much.* — Answer "Yes" or "No." Where "Yes" is the answer, the question should be read to the alien, to ascertain whether he has the amount of money stated in his own possession, and the answer should be recorded accordingly. If the ticket is not through, the entry should show the amount of money which the alien has paid or will pay for the completion of his journey.

Column 16. *Whether in possession of railroad or steamship ticket, or has paid passage, and by whom.* — The entry should show whether the alien has a railroad or steamship ticket, and if the passage has been paid, or will be paid, by the alien himself or by others. If by others, the name and address of the person who has paid or will pay for the alien's passage should be given.

Column 17. *Whether in possession of certificate of head tax exemption, or of special permit, and if so, what.* — The entry should show whether the alien has a certificate of head tax exemption, or a special permit, and if so, what. The answer should be "Yes" or "No."

Column 21. *Whether an anarchist.* — The entry should show whether the alien is an anarchist, and if so, what.

Column 22. *Whether coming by reason of any offer, solicitation, promise, or agreement to perform labor in the United States of any kind, skilled or unskilled.* — The entry should show whether the alien is coming to the United States by reason of any offer, solicitation, promise, or agreement to perform labor of any kind, skilled or unskilled, in the United States, and if so, what.

The answer should be "Yes" or "No."

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M or made or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and incorrect ones should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 8 (*Ability to read and write*).—The column is subdivided, and covers the following question. Read what language (or, if exemption is claimed, upon what ground).—In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Columns 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which the alien is subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

GERMAN, BLACK.

"African, black" refers to the African Negro. Whether a native of Cuba or the citizen of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of others who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence came*).—The entry should give name and address of such relative. If no such relative exists, may give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended place of permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket, etc., and final destination*).—The answer in all to be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by which passage was paid, as wife, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should never be each individual or family, the exact amount of money shown. Money need not be in hand, but should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entry should show whether Yes or No in the United States before, and if the year or years and place or places, as 1891 Yes, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join other relative or friend, and if so, what relative, friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, likewise those on the sheet, are subject to revision by inspection officers at the examining stations.

However, if in answering question 2 it is found that alien has been deported within one year and the Secretary of Labor has granted him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , (State whether Surgeon sailing therewith or employed by owners or the vessel as the case may be) do solemnly, sincerely, and truly that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this day of , 19

at

Signature and title of inspector or other officer authorized to administer oath.

NOTE.—If the vessel sails with the certificate of verification not executed before an immigration officer at port of departure, and any changes that may have occurred en route in the condition of the aliens must be noted on the manifest before the affidavit is executed.

If the vessel sails with the certificate of verification executed before an immigration officer at port of departure, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oath.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. It is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years. Infants under 1 year old should be stated as under 1 year old.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien at the time of arrival. Examples: Laborer, farmer, servant, housewife, merchant, minister, engineer, lawyer, physician, artist, author, editor, clerk, musician, actor, actress, dressmaker, milliner, tailoress, seamstress, baker, butcher, carpenter, mason, painter, shoemaker, tailor, tinner, or other definite description.

A distinction should be made between farmer and farm laborer, regardless of the amount of property shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction clear to the inspection officers, and inspection officers should be made to understand the importance of making this distinction in their examinations.

Column 8. *Last or final home.* — This column is divided into two parts, headed "City" and "Country." Read what has been said in regard to "calling or occupation." In answering these questions in the last column of the above division (Table), each should be careful to read and observe exactly what is required. Do not answer "Europe" or "Asia" when the country is required. Do not answer "England," "Scotland," or "Wales" when "Great Britain" is required. Do not answer "Germany" when "Prussia," "Bavaria," "Saxony," "Wurtemberg," or "Baden" is required. Do not answer "Austria" when "Austria-Hungary" is required. Do not answer "Russia" when "Finland" or "Russia in Asia" is required. Do not answer "Turkey" when "Turkey in Europe" or "Turkey in Asia" is required. Do not answer "Africa" when "Egypt," "Liberia," "Orange Free State," "Transvaal," "Cape Colony," "Natal," "Algeria," "Tunis," "Morocco," "Tripoli," "Barbary States," "Senegambia," "Sierra Leone," "Gold Coast," "Lagos," "Benin," "Benguela," "Mozambique," "German East Africa," "German West Africa," "Kamerun," "Upper Guinea," or "Congo Free State" is required. Do not answer "Australia" when "New South Wales," "Victoria," "Queensland," "South Australia," "West Australia," "Tasmania," or "New Zealand" is required. Do not answer "India" when "British India" or "Dutch India" is required. Do not answer "Malay States" when "Straits Settlements," "Federated Malay States," "Johore," "Kedah," "Perlis," "Kelantan," "Trengganu," or "Pahang" is required. Do not answer "Borneo" when "British North Borneo," "Sarawak," or "Dutch Borneo" is required. Do not answer "Pacific Islands" when "Philippine Islands," "Hawaii," "Samoa," "Guam," "Tonga," "Society Islands," "Fiji Islands," "Solomon Islands," "New Hebrides," "Bismarck Archipelago," "Caroline Islands," "Marshall Islands," "Gilbert Islands," "Ellice Islands," "Phœnix Islands," "Union Islands," "Cook Islands," "Pelew Islands," "Ladrone Islands," or "Marquesas Islands" is required. In connection with the following, the utmost care should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and territory.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban, Porto Rican, and Virgin Islander.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO, BLACK.

"African, black" refers to the African race, whether born in Africa, Europe, or America, West Indies, North or South America, Europe, or Africa. Any alien who admits himself to be of the Negro race should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., comprising most of Piedmont, Lombardy, Venetia, and Emilia, and the provinces of Massa and Carrara in Tuscany, and Trent, Trieste, Istria, the Quarnero Islands, Dalmatia, Fiume, and the Austrian territory on the Adriatic, should be classed as Italian, north. Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising most of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies, should be classed as Italian, south.

Column 11. *Last permanent residence.* — A traveler is intended to visit some other country for a temporary period, but to return to his permanent residence. The last country in which he has resided with the intention of remaining one year or more shall be the last permanent residence regardless of how long he may have been there. The question in column 11 should show the country and city of such permanent residence. It is important for statistical purposes that steamship agents accurately keep separate the last permanent residence of a country of temporary residence, country of birth, and race.

Country of last permanent residence of aliens who are permitted to land in the United States should be recorded in the United States.

Column 12. *Name and complete address of nearest relative or friend.* — [illegible] should give the name and complete address of such relative. If no such relative is known, the alien should be questioned as to the name and address of some friend.

Column 13. *Ever in prison, etc.* — The answer to this question shall be the words "yes" or "no." Persons who have been convicted of a felony or other crime or misdemeanor involving moral turpitude, or who admit the commission of such crime, although no conviction may have been had, should be reported. Persons who have been in prison or almshouse or an asylum, unless it clearly appears that they were insane at the time they committed the acts which led to their confinement, should be reported. Persons who are supported at the time of sailing by charity should be reported. Polygamists should be reported. Persons coming for any immoral purpose should be reported. Persons who have been deported under the provisions of law should be reported. Persons who are coming in violation of any contract to perform labor in the United States should be reported. Persons who are unable to read the English language or some other language or dialect should be reported. Persons who have come to the United States to avoid military service should be reported. Persons who are physically or mentally defective, such defect being of a character which may affect the ability of such alien to earn a living, should be reported. Persons who are coming to the United States to perform labor of any kind should be reported, specifying the kind of labor they are coming to perform. Persons who have been in the United States and have returned to their former homes after having failed to find employment, or for any other reason, should be reported. Persons who are coming to the United States under offer, solicitation, promise, agreement, or expectation of employment of any kind should be reported. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entry in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as far as applicable. Under no circumstances should the entry be illegible, indefinite, or misleading. Such entries as "laborer," "servant," "engineer," "housekeeper," "steel polisher," "machinist," "clerk," "agent," "manufacturer," "gentleman," "lady," "student," "boy," "girl," "child," "none," or "dressmaker" are insufficient. Entries of "farmer," "merchant," "miner," "mechanic," "seamstress," "tailor," "tailoress," "shoemaker," "carpenter," "blacksmith," "butcher," "baker," "clergyman," "physician," "surgeon," "lawyer," "teacher," "professor," "musician," "actor," "actress," "artist," "author," "editor," "journalist," "banker," "barber," "hairdresser," "chauffeur," "driver," "painter," "mason," "bricklayer," "plasterer," "plumber," "engineer," "fireman," "conductor," "salesman," "saleslady," "clerk," "stenographer," "typewriter," "bookkeeper," "cook," "waiter," "waitress," "porter," "maid," "housekeeper," "janitor," "janitress," "watchman," "policeman," "soldier," "sailor," "hostler," "groom," "coachman," "footman," "valet," "nurse," "midwife," "hospital attendant," "laborer," "servant," "housework," "housewife," "housekeeper," "gentleman," "lady," "student," "boy," "girl," "child," "none," or "dressmaker" are insufficient. A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for another.

A farm laborer is one who works on a farm for the man who employs him.

Seamstress—separate should be made from the terms "tailor" and "tailoress" and when applicable, the nature of the work performed should be specified, as "vest maker," "pants finisher," "coat presser," etc.

Column 8. *Read and write.* — This column should be filled out to show whether the alien can read or can write, or both, the language or dialect he may speak. Persons who can read in any language should be entered as able to read, persons who can write in any language should be entered as able to write, and persons who can do both should be entered as able to read and write. Children too young to read or write should be entered in the column specifically provided for them. Persons unable to read or write should be entered as such in the column specifically provided for them.

Column 9. *Nationality.* — The answer should be the name of the country to which the alien claims allegiance. Allegiance is usually held to exist where birth occurred, but it may be held to exist where the alien has resided for a sufficient length of time to lose his allegiance to the country of his birth and acquire it for the country of his residence. Care should be taken to distinguish between nationality and race. Thus, a native of Scotland should write Scotland in answer to this question, not Great Britain; a native of Germany should write Germany, not Teutonic; a native of Ireland should write Ireland, not Celtic; a native of Wales should write Wales, not Welsh; a native of Bohemia should write Bohemia, not Slavonian or Austrian; a native of Finland should write Finland, not Russian; a native of Iceland should write Iceland, not Danish; a native of Poland should write Poland, not Russian, German, or Austrian; a native of Hungary should write Hungary, not Austrian; a native of Turkey should write Turkey, not Armenian, Greek, Turkish, Syrian, Arabian, or Kurdish; a native of Arabia should write Arabia, not Turkish; a native of Syria should write Syria, not Turkish; a native of Africa should write Africa, not Abyssinian, Algerian, Egyptian, Liberian, Moorish, Portuguese, or Zulu; a native of Switzerland should write Switzerland, not German, French, Italian, or Swiss; a native of Canada should write Canada, not English, Irish, Scotch, Welsh, or Canadian; a native of Mexico should write Mexico, not Spanish, Mexican, or Aztec; a native of Cuba should write Cuba, not Spanish, Cuban, or Havanese; a native of Porto Rico should write Porto Rico, not Spanish, Porto Rican, or Boricuan; a native of Central America should write the name of the country of which he is a native, not Central American; a native of South America should write the name of the country of which he is a native, not South American; a native of the Philippine Islands should write Philippine Islands, not Filipino, Malay, or Spanish; a native of Japan should write Japan, not Japanese; a native of China should write China, not Chinese; a native of India should write India, not Hindu, Hindoo, Asiatic Indian, Bengalese, Bengali, Burmese, Cingalese, Madrassi, Mahratta, Punjabi, Singhalese, or Telugu; a native of Australia should write Australia, not Australian; a native of New Zealand should write New Zealand, not Maori; a native of Hawaii should write Hawaii, not Hawaiian, Kanaka, or Polynesian; a native of Samoa should write Samoa, not Samoan; a native of Guam should write Guam, not Guamanian; a native of Tutuila should write Tutuila, not Tutuilan; a native of Africa of the Negro race should write Africa, not Negro; a native of the United States of the Negro race should write United States, not Negro; a native of the United States of the Caucasian race should write United States, not American.

"West Indian" refers to the Negroes of the West Indies, not to the inhabitants of the West Indies, who are of various races.

"Spanish American" refers to the people of Central and South America of Spanish descent, not to the Spanish of Spain.

"African Black" refers to the Africans of the Negro race, not to the Africans of the Caucasian race, not to the natives of the West Indies, North or South America, Europe, or Asia. Any native-born citizen of the United States of the Negro race should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and the adjacent part, whether in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their adjacent islands, should be classed as "Italian, south." Actual or apparent intended residence or last permanent residence should be considered in connection with this question. Thus, a native of Italy who has resided in the United States for many years, but who has returned to Italy with the intention of residing permanently there, should be classed as "Italian, south," if his last permanent residence was in Italy. If, however, he has resided in the United States for many years, and has returned to Italy for a visit only, intending to return to the United States, he should be classed as "Italian, south," if his last permanent residence was in Italy. If, however, he has resided in the United States for many years, and has returned to Italy for a visit only, intending to return to the United States, he should be classed as "Italian, south," if his last permanent residence was in Italy.

Column 10. *Last permanent residence.* — The answer to this question should be the name of the country in which the alien has resided for the greater part of the last five years, or, if he has resided in the United States for more than five years, the name of the country in which he resided last before coming to the United States.

Column 11. *Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address.* — The entry should show whether the alien is going to join relatives or friends in the United States, and if so, what relatives or friends, and their names and complete addresses.

Column 12. *Whether in possession of railroad ticket to final destination, and whether ticket is paid by himself or by others.* — The entry should show whether the alien has a railroad ticket to his final destination in the United States, and whether the ticket is paid by himself or by others.

Column 13. *Whether in possession of $50 and if less than $50 how much.* — The entry should show whether the alien has in his possession $50 in money, and if he has less than $50 the exact amount he has in his possession.

Column 14. *Whether ever before in the United States, and if so, when and where.* — The entry should show whether the alien has ever been in the United States before, and if so, when and where he entered the United States, and whether he has been in the United States at any time since.

Column 15. *Whether ever in prison or almshouse, etc.* — The entry should show whether the alien has ever been in prison or in an almshouse or an asylum for the insane or supported by charity, and if so, when and where.

Column 16. *Whether a polygamist.* — The entry should show whether the alien is a polygamist.

Column 17. *Whether coming under contract or agreement to perform labor.* — The entry should show whether the alien is coming to the United States under a contract or agreement to perform labor.

Column 18. *Whether an anarchist.* — The entry should show whether the alien is an anarchist.

Column 19. *Whether a prostitute or coming for an immoral purpose.* — The entry should show whether the alien is a prostitute or is coming to the United States for an immoral purpose.

Column 20. *Whether ever supported by charity.* — The entry should show whether the alien has ever been supported by charity.

Column 21. *Whether ever in the United States Army or Navy.* — The entry should show whether the alien has ever been in the United States Army or Navy.

Column 22. *Whether coming to the United States to avoid prosecution for crime, etc.* — The entry should show whether the alien is coming to the United States to avoid prosecution for crime or for any other offense.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax.* [illegible] head tax collected on the basis of [illegible] Department of Commerce and Labor.

Column 3. *Name.* The surname, or family name, shall be entered first, followed by a comma and then the given name or names in full.

Column 4. *Sex.* The entry should be either M (male) or F (female).

Column 5. *Married or single.* The answer should be M (married) or S (single) or W (widow) or D (divorced).

Column 6. *Age at last birthday.* The entry should show the age as certainly as possible at the last birthday of the person described. Children under 1 year of age should be entered as "under 1," or as a fraction, thus: "1/12" if 1 month old, "6/12" if 6 months old, etc.

Column 7. *Occupation.* The entry should show what the person said he was, whether laborer, farmer, servant, tailor, merchant, clerk, or other occupation, even though he may have been a child and may have had no occupation. Persons of no occupation should be entered as "none." Do not enter "housework" for any female over 15 years of age unless she actually does housework for her family or for others as a means of livelihood.

A distinction should be made between farmer and farm laborer, regardless of the ownership of property, as follows:

A farmer owns or hires and manages a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should make this distinction on the manifests, and cooperation should be had where necessary between the inspection officers and the steamship companies' representatives at ports of departure.

Column 8. *Ability to read.* These items are intended to elicit the literacy test. Read what has been said [illegible] exemption from the reading requirement. The object to be ascertained by these questions is whether the alien can read and is not entitled to exemption from the reading test. The entry should be "yes" or "no."

Column 9. *Nationality.* [illegible] the country of which the alien is a native citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people as given in that list.

Special attention should be paid to the distinction between race and the country, state, or place of which the alien is a native citizen or subject. The country of last permanent residence and country of birth, and manifests should be carefully scrutinized by inspection officers in this regard. For instance, "France" apparently under the head of country does not mean "French" as race or people, and, similarly, "French" apparently under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien of any race might properly come under the headings of England, Switzerland, or any other country. Further instruction in connection with the following should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban or Negro.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO, BLACK.

"African, black" refers to the African Negro, who has come directly from the West Indies, North or South America, Europe, or Africa. No alien of any admixture of black or African Negro should be classified under this heading.

ITALIAN, NORTH.

For [illegible] who are native to the Italian [illegible] Piedmont, Liguria, Venetia, and Lombardy, except [illegible] Tuscany, Umbria, Marches, Romagna, Abruzzi and Molise, Campania, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classified. Natives of Istria, Dalmatia, Trieste, or any other country should be classed as Austrian. Natives of Switzerland speaking a Gallic dialect of the Italian language

ITALIAN, SOUTH.

For [illegible] who are native to the Italian [illegible] Tuscany, Umbria, Marches, Romagna, Abruzzi and Molise, Campania, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed.

Column 11. *Last permanent residence.* Actual or intended residence [illegible] consulted to obtain. The last country in which alien resided with the intention [illegible] in mind as the last permanent residence recorded [illegible] Column 11 should show the city and country of last permanent residence [illegible] any such purpose that [illegible] to emigrate to a country other than that of last permanent residence or to return to a country of temporary residence, country of birth, [illegible] country of last permanent residence of aliens who are [illegible] Italian Charitable and should be recorded United States.

Column 12. *Name and complete address of relative.* [illegible] should give name and address of such relative. It is not [illegible] required.

Column 13. *Landed or not landed.* These words [illegible] the question [illegible] Any alien [illegible] one year [illegible] the United States [illegible] the country at [illegible] [illegible] at or outside the United States.

Column 14. *Whether in possession of money and how much.* [illegible] Any alien [illegible] or Negro [illegible] should be carried [illegible] [illegible] [illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, coal engineer, stationary engineer, locomotive engineer, tanning engineer, brass polisher, steel polisher, wax modeler, wood turner, etc., and not simply as engineer, polisher, modeler, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of means shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correspondents should be made necessary by inspectors and registry clerks during the physical examination of aliens arrivals.

Column 8 (*Able to read and write.*)—This column is subdivided and contains the following question: Read what language (or, if exemption is claimed upon what ground)?—In answering this question the language or dialect the alien is able to read should be stated. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between as stated the country of which citizen or subject, country of last permanent residence, and country of birth, and carefully observed by inspectors and registry clerks in this regard. For instance, a Hebrew, apparently under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether he comes from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether living in Italy, France, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Many of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or intended residence (home) for the next year, not transient residence. The last country in which alien resided with intention to remain permanently or indefinitely is considered the last permanent residence regardless of length of actual residence. Column 11 should show the country and city or town of last permanent residence for statistical purposes that steamship companies are unable to show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are passengers in transit through the United States to determine foreign visé should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend.*)—The entry should give name and address of such relative. If none, so state.

Column 13 (*Final destination.*)—The answer to the question should be the city or town of intended residence. An alien last resident one year shall constitute permanent residence. An alien's final destination should be evidenced by the place (city or town) of intended future permanent residence in the United States, country if outside the United States.

Column 15 (*Whether having a ticket to such final destination.*)—The answer should be Yes or No. Yes ticket or No ticket.

Column 16 (*By whom was passage paid.*)—The entry should show whether passage was paid by alien himself, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much.*)—The answer should be Yes or No. If alien himself or family, the exact amount in dollars shown. Money by which family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where.*)—The answer should show whether or not Yes or No in the United States before, and if so, when and where, as, 1894, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends, and their names and complete address.*)—The answer should show whether going to join either a relative, a friend, and if so, what relative or friend, name and complete address.

Columns 20 to 33.—These questions are self-explanatory, and the answers thereto are subject to inquiry by inspection officers at the examination of aliens. However, as to question 27 it is to be noted that the Secretary of Labor has authorized him to apply for admission, the authority, if such is applied for, should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in Column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative having same, state cause and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be "Yes" (ticket) or "No" (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom the passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should be "Yes" or "No" for each case (individual or family); the exact amount of money shown. Money brought in by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entry should show whether or not "Yes" or "No" in the United States before, and if so, the year (or period of years) and place, as, 1891, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend, with name and complete address*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers at the examination of aliens. However, in answering question 2, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, , Surgeon of the , do solemnly, sincerely, and truly declare that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of , and that I have made a personal examination of each of the aliens named herein; and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, the former of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correspondents should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Can read and write.*)—This column should be ruled and contains the following question: Read what language, if examination is claimed upon what grounds? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground upon which exemption is claimed should be stated.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or peoples as given in said list.

Special attention should be paid to the distinction between race and the country of which alien is a subject, country of last permanent residence, and country of birth, and instructions should be carefully perused by inspectors and registry clerks in this regard. For instance, Germans appearing under the head of Germany, Austria, or Russia may be "Jews" by race or people, and, similarly, French appearing under the head of France, Canada, or Switzerland may be "Jews" by race or people, and, similarly, French appearing under the head of France, Canada, or Switzerland may be "French

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax of each* ... steamship hence should make no entries in this column. The space refers to use of Government officials only.

Column 3. *Age.* ... The answer in this column should be expressed in years or months, the latter against infants under 1 year of age.

Column 4. *Sex.* ... The entry should be either "M" male or "F" female.

Column 5. *Married or single.* ... The answer should be "M" married, "S" single, "Wd." widow or widower, "D" divorced.

Column 6. *Calling or occupation.* ... The entry should declare as accurately as possible the occupation of each alien, whether laborer, clerk, farmer, servant, mechanic, professional man, merchant, or other class, even if a child or an infant in arms. Such terms as "laborer," "engineer," "clerk," "manufacturer," "gentleman," "lady," "boy," "girl," "child," "infant," etc., are not sufficiently descriptive. Define the occupation specifically, as, for example, "coal miner, stone mason, engineer, brass polisher, steel polisher, iron molder, wood turner, etc.," and not merely "laborer," "engineer," "polisher," "molder," "turner," or "worker in shop," "manufactory," or "mill." A simple person should be made between farmers and farm laborers, regardless of the amount of means shown, as such.

A farmer is one who owns or rents a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Each and every member of a family should be listed on the manifest, and correspondence between the manifest and the family records should be made. The manifest should indicate the sex of the members of each family group, if possible, by the proper use of the words "husband," "wife," "son," "daughter," "child," "infant," etc.

Column 8. *Able to read or not.* ... This column is subdivided and contains the following questions:

Can read. Can write. Can both read and write. ... In answering this question, if the alien can read and write, the word "Yes" in the proper column is sufficient. If the alien is unable to read and write, but can read, write, or both read and write in some language, the fact should be stated. If the alien is unable to read and write in any language, the word "No" should be entered in the proper column. If the alien is unable to read, but can write, the fact should be stated. If the alien is unable to read and write, but can read

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.*—The answer in this column should be expressed in years or months. The latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M male or F female.

Column 6. *Married or single.*—The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien. A person formerly a farmer, but now living without occupation, should be returned as a farmer, retired; a person formerly a manufacturer, but now living without occupation, should be returned as a manufacturer, retired. Persons formerly engaged in any occupation, but incapacitated for work, should be returned as laborers, with the word incapacitated added. Persons of no occupation, such as women keeping house, children not at work, and persons living entirely on their income, should be returned as such. Do not return as laborers persons who perform only light work about the house or yard. Do not return as laborers persons who have been engaged in any occupation, trade, or profession of each alien arrival, as for example: engineer, mining engineer, brass polisher, steel polisher, tool molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following questions: Read what language (or, if exemption is claimed, upon what ground)? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the word exempt for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised to make sure that reentry clerks in this regard. For instance, "France" appearing under the heading "Race or people" should be interpreted to mean "French," appearing under the heading "Nationality" should be interpreted to mean "France" by country. An Irish, German, or Hebrew alien by race should not be returned under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The term "African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year should be the last permanent residence regardless of length of actual residence therein. The entries should show the country and city or town of last permanent residence. It is important for census purposes that steamship companies accurately show country of birth, nationality, or race, and country of last permanent residence. Country of birth, nationality, or race and country of temporary residence, country of birth, nationality, or race and country of last permanent residence of aliens who are permanent residents of the United States and who are returning from a temporary abroad to be readmitted to the United States.

Column 12. *Name and complete address of nearest relative in country whence alien came.*—The entries should show the name and address of such relative. If no such relative living give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. No intended residence of less than one year should constitute permanent residence. The entry should show the place, city or town, of intended final destination in the United States, not the State or country. It should not be permissible to enter "unknown" or "will be given later." The answer should be either Yes or No, as the case may be.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes or No, as the case may be.

Column 16. *Did alien have passage paid.*—The entry should show definitely by whom passage was paid, as "self," "by friend, father, brother, or other relative, friend, steamship company, etc."

Column 17. *Alien in possession of $50 or more.*—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should include that carried by the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as "1901 1905 Philadelphia."

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet are subject to revision by inspectors assisting in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (cents).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and reviewing clerks during the personal examination of aliens at ports.

Column 8. *Able to read and write.*—This column is subdivided and contains the following questions:

"Read what (language)?" "Write what (language)?" In answering this question "Read what language?" if exemption is claimed, upon what ground?" If alien is unable to read and claims the fact never debarred the alien is able to read, should be stated. If alien claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and reentry clerks in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people, and, similarly, "French" appearing under heading country does not mean "France" by country. An Irish, German, or Hebrew alien by the head of race or people does not mean "Ireland," "Germany," "Palestine," or any other country. An alien might properly come under the heading of England, Switzerland, or any other country. In this connection the following data should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, which race, coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa, is to be taken with admixtures of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for the legal purposes that steamship companies accurately show country of last permanent residence under the following captions, i. e., country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a State also should be recorded "United States."

Column 12. *Name and address of nearest relative or friend in country whence alien came.*—The entries should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the place (city or town, if given) of intended future permanent residence, if within the United States, if not, outside the United States.

Column 14. *Whether having ticket to such final destination.*—The answer should be either Yes or No (or ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less, how much.*—The answer should give in each case the amount of money shown. Money brought by the head of a family should be recorded under the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1901, 1903, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 34.—These questions are self explanatory, and the answers, like all others on the sheet, are subject to question by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M, male, or F, female.

Column 6 (Married or single).—The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession, of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money supplied, as shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people cannot properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who, if coming from Cuba or other islands of the West Indies, North or South America, Europe, or Asia, is not. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for certain purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who are coming from a visit abroad should be recorded "United States."

Column 12 (Unmarried or widowed female relative in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show by words the place (city or town) of intended future permanent residence, if within the United States, or if outside the United States.

Column 14 (Whether coming to join relative or friend and name and address of such relative or friend).—The answer should be entered by whom passage was paid, as, for example, by legal father, mother, or other relative, friend, steamship company, etc.

Column 15 (By whom was passage paid).—The entry should show the name and address of the person who paid, as, for example, by legal father, mother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less than $50, how much).—Money brought by the head of a family should be considered as the property of the individual or family, and not as that of the head of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries should show whether or not alien has been in the United States before, and if so, the year or period of years and place, as, 1891 to 95, Philadelphia.

Column 18 (Whether going to any relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to inspection by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... CHAS. R. GLENN. MASTER, of the S/S SANTA MARTA, from KINGSTON, JAMAICA ....., do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly AFFIRM that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ONE in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter as applicable, to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6 (*Married or single.*)—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe the occupation as accurately as possible, the one upon which the alien will depend principally for support in the country to which he is going, or at which he last worked, as for example: Clerk, farmer, laborer, stenographer, bookkeeper, merchant, etc., and not merely "gentleman," "lady," or "none." Persons formerly engaged in gainful occupations, but not employed at the time of sailing, should be reported as laborers, regardless of the amount of money they have.

A distinction should be made between farmers and farm laborers, regardless of the amount of money the former may have. Thus:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special precautions should be taken that the information on the manifests and corrections should be read correctly by the officials during the personal examination of alien arrivals.

Column 8. *Can read or cannot read.*—This column is subdivided and contains the following question: Read what language or dialect, if any? This question is to be answered in all cases. If the alien is unable to read and claims to read some one or other of the languages or dialects specified in the question, the fact that he can read shall be noted in the proper compartment. The word "read" as used in this question is to be construed to mean the ability to read ordinary print.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a native or citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which he is a native or subject country of last permanent residence and country of birth, and manifests should be examined, revised by inspectors and clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" the country. An Irish, German, or Hebrew alien is a native of his race or people and not of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of a pure blood race.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other part of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the section of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence.

A mere draft for permanent residence regardless of length of actual residence thereto. The entries in this column shall be the last permanent residence. It is important for proper determination of immigration policy that steamship companies accurately show country of last permanent residence rather than nationality, or race.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, with name and address.*—Any alien (except a bona fide tourist or temporary visitor for business or pleasure) coming to the United States to join a relative, friend, or other person, must be able and prepared to state the full name and address of such relative or friend in the United States to whom he is going, and the relationship, if any, between them. If no such relative or friend, the alien must be able to show that he has sufficient funds to enable him to maintain himself until he can obtain employment.

Column 13. *Ever in U. S. before?*—The answer to this question shall show definitely by whom passage was paid, as "self," "father," "brother," or other relative, friend, steamship agency, etc.

Column 14. *Whether in possession of $50, and if less how much?*—The answer should give in each case the actual amount of money in possession of the alien, whether he has $50 or more or less than $50. Money brought by the head of a family should be included in the total amount shown for the family, and not for each individual member of the family.

Column 15. *Whether ever before in the United States, and if so, when and where?*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, Chicago; 1893–1897, Philadelphia.

Column 16. *Whether going to join relatives, as found, and if so, what relatives or friends.*—The answer should show whether the alien joins either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 28.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

221

AFFIDAVIT OF SURGEON

I, F. M. HILLYER, Surgeon of the S/S SANTA MARTA - EMPLOYED BY THE OWNERS THEREOF (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be), do solemnly, sincerely, and truly AFFIRM that I have had TWENTY-FIVE years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of THE COMMONWEALTH OF NEW YORK, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ONE in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

DOCTOR.

(Signature and title of immigration or other officer authorized to administer oath)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before the officer authorized to administer oath.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

African (black).	Greek.	Roumanian.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmer and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by immigrant inspectors during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Can read?" "Can write?" "Can both read and write?" "Language or dialect?" In answering this question: Read what language (or if exemption reclaimed, upon what ground)." In answering this question: Read what language (or dialect) the alien is able to read should be stated. If alien is unable to read and claims no language or dialect, the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as herein named.

Special attention should be paid to the distinction between race and the country of which citizen or subject. "Country of last permanent residence" and "country of birth" should be carefully noted by the inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may have come but properly come under the heading of England, Switzerland, or any other country. In this connection the following observations should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cuban or Negro.

CENTRAL AMERICAN

"Central American" refers to the people of Central America of Spanish descent.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who therefore may come from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there in. The entries in column 11 should show the country and city or town of last permanent residence; for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence. Country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are not quota immigrant aliens shall be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should be name and address of relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence for one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence within the United States. The entry must not be the United States.

Column 14 (Whether has ticket or how paid for transportation).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (Whether in possession of $50, and if less, how much).—The entry should show definitely by whom passage was paid, as, e. g., husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The answer should give in each case the amount of money shown. Money in possession of the head of a family should be considered as the property of the family. The amount of money of the individual members of the family need not be considered, except the amount of money of the head of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and places, as, 1901–1906, Philadelphia.

Column 18 (Whether going to join relative, or friend, and if so, what relative or friend, with name and complete address).—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20–34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to examination by the inspection officers as to the correctness of the entries. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for same to application should be given.

Extract from Act of Congress of February 5, 1917

[illegible] That it shall be unlawful to bring into the United States on any vessel any alien who has been refused admission to the United States under the provisions of this Act, or who came in search of such excluded class or classes of aliens, or who does not fulfill the requirements of this Act at the time of application for admission or entry, but such refusal shall be subject to review by the proper court upon writ of habeas corpus: Provided, That pending such review the writ of habeas corpus shall not have the effect to take any such alien out of the custody of the officer having him in charge, unless such alien shall give bond, in such sum and with such sureties as may be required by the court or judge before whom the writ is returnable, conditioned upon the production of such alien to the final order of the court. The refusal of admission to any such alien by the immigrant officers shall be reported immediately to the Commissioner General of Immigration and to the Secretary of Labor, and unless such alien is admitted by direction of the Secretary of Labor within three days after such refusal, a report shall be made to the Secretary of Labor for the cancellation of the certificate of admission granted to the vessel by the collector of customs, and a duplicate notice shall be given to such collector of customs. It shall thereupon be the duty of such collector of customs forthwith to cancel such certificate, and the vessel shall not be granted clearance pending the determination of the question of the cancellation of her certificate. Any master, commanding officer, purser, or agent of any vessel who shall bring to the United States any alien not duly admitted by the immigrant inspectors or through the mandatory order of the court, shall be fined in the sum of $1,000 for each and every such alien, and may also be imprisoned for a term not exceeding one year: Provided, That no fine shall be imposed if it shall be proved to the satisfaction of the court that he had no reasonable ground to believe that the alien was unlawfully brought, and that before the departure of the vessel from the last foreign port he had caused the said vessel to be properly searched by the customary officers searching vessels in that port, and that no such alien was concealed therein at the time of departure from that port. In case any such alien is found on board, after the departure of the vessel from the last foreign port, and can be returned without detaining the vessel, the master shall be fined $500 for each such alien, unless it shall be proved to the satisfaction of the court that it was impossible so to return such alien before the departure of the vessel from the port in which such alien was found. In case any such alien is not returned on board, because the master neglected to detain him or because of his refusal to return, or because the master connived at the escape of such alien, the master shall be fined $2,000 for each such alien. The payment and collection of any fine imposed upon the master of any vessel under this section may be enforced by action of debt in the name of the United States. The Secretary of Labor may, in his discretion, remit any fine, in whole or in part, incurred under this section, and may direct the withdrawal of any action or proceeding brought for the recovery of the same. Clearance may be granted to any vessel from which a penalty is incurred under this section notwithstanding the pendency of any action to recover the same, upon the deposit with the collector of customs of the district in which the vessel has arrived of a sum sufficient to pay the same, or of a bond with sufficient surety conditioned for the payment of such penalty.

SUBD. 3. *Manifesting.* (a) Arriving aliens. Except as provided in section 3 (b) hereof, the information required by section 36 of the Act of February 5, 1917, concerning each alien arriving at a port of the United States shall be manifested on the list or manifest prepared for that purpose by the master, owner, agent, consignee, or person in charge of the vessel on which such alien arrives, in accordance with the requirements of section 36 of the Act of February 5, 1917, and the instructions of the Secretary of Labor thereunder. Where any such alien arrives at a seaport other than that at which he intends to land, the information required by section 36 of the Act of February 5, 1917, shall be shown on the list or manifest of the vessel on which such alien arrives at the port of first arrival in the United States, and the list or manifest of such vessel shall be indorsed to show the name of each such alien destined to a port other than the port of first arrival.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of means shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the most obscure status.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors at each registry port during the personal examination of aliens at ports.

Column 8. *Able to read and write.*—This column should be filled and contains the following question: "Read what language or dialect the alien is able to read should be stated. If alien is unable to read, and claims exemption from the reading requirement the word and the reason for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people alien is classed as.

Special care should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inaccurate should be carefully noted by inspection clerks in this regard. For instance, France appearing under the head of country of birth, Spain, Cuba, Porto Rico, Mexico, or Canada (French) by race or people, and, similarly, English appearing under the head of country of birth, Scotland, Ireland, or Wales, not race or people. Hebrew is not a race, but the people of many countries may be classed as Hebrew, whether they are citizens of Russia, Germany, Austria, Roumania, England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term Cuban refers to the Cuban people and not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies other than Cuban, other Cubans or Negroes.

CENTRAL AMERICAN.

Central American refers to the people of Central and South America and not Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negroes, their descendants from Cuba or other islands of the West Indies, Central or South America, Europe or America. All others of the African race should be classed as Negroes, Hamitic or Semitic.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Column 12. *Last permanent residence of aliens who are permanent residents of the United States and return from visit abroad.*—Such aliens should be recorded "United States."

Column 13. *Name and complete address of nearest relative or friend in country whence alien came.*—The entries should show name and address of such relative. If no such relative living, give name and address thereof.

Column 14. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entries should indicate only the place, city or town, of intended future permanent residence, if within the United States, country if outside the United States.

Column 15. *Whether has ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be included against the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1901, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 35.—These questions are self-explanatory, and the answers, like all others on the sheet are subject to restriction by inspectors or others in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapprehension should be given.
